

THE EQUITABLE

LIFE ASSURANCE SOCIETY OF THE UNITED STATES,
120 BROADWAY, NEW YORK.

Preliminary Statement of Business Jan. 1, 1883.

TOTAL ASSETS, over, \$48,000,000
TOTAL INCOME, over, 11,000,000
SURPLUS OVER LIABILITIES 10,500,000

The amount of new business transacted during the past year, \$62,250,000, exceeds the largest business ever done by any other Company in one year.

THE SOCIETY in 1878, wrote \$21,440,213 Insurance; in 1879, \$26,592,541; in 1880, \$35,170,905; in 1881, \$46,169,097; in 1882, \$62,250,000.

The reasons for the increased patronage received by the Society during the past five years are:

1st. The fact that the percentage and amount of its surplus over its liabilities according to the State Insurance Reports (four per cent. valuation), are larger than in any other one of the five largest life insurance companies.

2d. The percentage of dividends earned for policy-holders, according to the same Reports, is now, and has been for the last five years, greater than in any other one of these companies.

3d. The Society issues a plain and simple contract of insurance, free from burdensome conditions and technicalities, INCONTESTABLE AFTER THREE YEARS.

4th. In the event of death, a policy which has become incontestable is paid immediately upon the receipt of the proofs of death with a legal release of the claim, thus affording pecuniary relief to the family as quickly as if the amount of the policy were in a Government bond, and avoiding the annoying delay of weeks and months, and sometimes years of vexatious litigation, which many have experienced in other companies.

5th. The Society has no contested claims on its books.

6th. The popularity of the Society's tontine system of insurance—which provides full insurance in case of death, and gives the greatest return for the money paid by the policy-holder if he lives, with more advantageous options to meet an insurer's need at the end of the term, than any other form of policy ever devised.

Persons desiring life insurance will best consult their own interests by communicating with the officers of the Society or any of its agents.
