Mercantile Summary.

No LESS than eight ocean steamers arrived in Montreal harbor one day last week.

On dit that a branch of a Parisian banking house is to be opened in Quebec next year.

The waterworks now under construction at Yarmouth, N.S. are to be completed by mid-September.

A LARGE consignment of machinery for "L' Union Sucriere Canadienne," arrived out from Antwerp last week, by S.S. "Helvetia."

JOSEPH ANDREWS, a general dealer of Berwick, N.S., is in trouble, and offers his creditors sixty cents in the dollar, with security, which offer will probably be accepted. He owes about \$2,300.

MESSRS. J. E. BALLANTINE & Co., boot and shoe dealers of St John, N. B., have assigned in trust to H. C. Beltes. The success of the concern has been questioned for some time past, and their stoppage, therefore, not unanticipated.

THE County of Essex continues to turn out quantities of hickory, ash and elm. An Amherstburg firm, Jno. Herd & Co., shipped last week 14 tons of manufactured wheel-spokes to Montreal, and 12 tons of bent-stuff for carriages.

A CABLEGRAM announces the arrival at Bremen, Germany, of Mr. W. H. McGarvey, Petroleum, who was sent for, as an oil expert, to conduct boring &c., for coal oil in that country. He and his party will immediately commence operation in oil matters.

MR. WM. HAMILTON, of Peterboro' has received a large order from the Canada Consolidated Mining Co. for engines, boilers, water-wheels and other machinery to be used at Deloro, the new mining town in the neighborhood of Marmora.

Since the year 1878, no money has been made shipping oatmeal from Canada to Britain. During 1875 and the three following years, a large export business was done in that article, but those who exported it in seasons 1879-80 made heavy losses.

We see that the veteran manufacturer of agricultural machinery, Mr. John Watson of Ayr, is about to erect new shops for the accommodation of his growing business, and he estimates that 1,000,000 bricks will be needed for the building. His former premises and water power are advertised for sale.
