## Alden's RECENT BOOKS.

Illustrated Catalogue, 132 pages, may be had for 4 cents; condensed catalogue, free. RAMBAUD'S RUSSIA.

RAMBAUD'S ILLUSTRATED HISTORY OF RUSSIA from the Earliest Times to 1877. Translated by L. B. LANG. Complete in two large 12mo. volumes. Long Primer type, with numerous fine illustrations and maps. Fine cloth, gilt tops, Library style, \$1.75.

The cheapest edition heretofore obtainable has cost \$6.00 (less than two years ago it cost \$18.00); this new edition, which is really the BEST that has been published for popular use at any price, therefore places this magnificent work for the first time within reach of the masses.

"Rambaud's is doubtless the best history of Russia in any language. M. Rambaud is admitted to stand at the head of European authorities on his chosen subject, is familiar with the whole mass of documentary and official materials, has a large acquaintance with Russian literature, and has skillfully assimilated vast stores of information into an orderly and vigorous narrative. Russian history begins almost in myth, proceeds into a wilderness of conflicting traditions, and emerges into a clear light only in comparatively recent times. It is studded with imposing personalities and darkened by hideous crimes; striking events make it dramatic, the sufferings of a great people lend it pathos; the unrest of the present hour and the uncertain outlook for to-morrow invest it with deep interest. M. Rambaud puts the reader's mind fully in train to consider the situation of the hour. Altogether this is a work that may be read uniformly with profit and often with interest; an authority that may be consulted with confidence; filling an important place on the historical shelf."—The Literary World, Boston.
