

# Headache

Horsford's Acid Phosphate

This preparation by its action in promoting digestion, and as a nerve food, tends to prevent and alleviate the headache arising from a disordered stomach, or that of a nervous origin.

Dr. F. A. Roberts, Waterville, Me., says: "Have found it of great benefit in nervous headache, nervous dyspepsia and neuralgia; and think it is giving great satisfaction when it is thoroughly tried."

## A NEW LEASE OF LIFE.

HOW A CUMBERLAND CO., N.S., MAN OBTAINED IT.

A Sufferer From Acute Dyspepsia and a Complication of Troubles Following an Attack of La Grippe—He was forced to Quit Business and was Hopelessly Discouraged When Help Came.

From the Amherst, N.S., Sentinel.  
Mr. Chas. Tucker, who lives about two miles from Lockport, is one of the best known men in that section. He is engaged in business as a lobster packer, and dealer in flour and salt, and in addition has a fine farm. During the past three years Mr. Tucker has been an almost constant invalid, being the victim of a complication of troubles following a severe attack of la grippe. Recently he has been restored to his old time health and having learned that he gave the entire credit to Dr. Williams' Pink Pills, concerning which so much has been said through the press, a reporter interviewed him in the matter, and was cheerfully given his story for publication. Mr. Tucker said:—"About four years ago I had a severe attack of la grippe, which left

me in a fearful condition. I had for a number of years before this attack been a sufferer from dyspepsia, but following the la grippe it took a more acute form, and to add to my distress my liver appeared not to perform its usual functions, and my heart troubled me greatly, and there were as well other complications which baffled the skill of four doctors whom I successively called in in the hope of regaining my health. From the knees down my legs were as cold as ice; my bowels would bloat and I suffered great pain. My case went from bad to worse despite the medical treatment I was undergoing and at last I got so bad that I was forced to give up business. I could hardly eat anything, got but little sleep at night, and as you will readily understand my condition became one of despair. My father urged me several times to give Dr. Williams' Pink Pills a trial, but I was so discouraged that I had no further faith left in any medicine. However, more to please him than from any hope of beneficial results, I began the use of Pink Pills. The first beneficial effects I found was that the warmth and natural feeling began to return to my limbs, my bowels ceased to bloat, and with the continued use of the pills my appetite returned. I slept soundly at night, and the action of my heart again became normal. I continued taking the Pink Pills until I had used in all fifteen boxes, and I have not felt better in years than I do now. I did some particularly hard work last fall, and was able to stand it with a strength and vigour which surprised me. I consider Dr. Williams' Pink Pills, not only a wonderful medicine, but also in the light of what my other treatment cost, the least expensive medicine in the world, and I strongly recommend Pink Pills to all in need of a medicine.

Dr. Williams' Pink Pills act directly upon the blood and nerves, building them anew, and thus driving disease from the system. There is no trouble due to either of these causes which Pink Pills will not cure, and in hundreds of cases they have restored patients to health after all other remedies had failed. Ask for Dr. Williams' Pink Pills and take nothing else. The genuine are always enclosed in boxes, the wrapper around which bears the full trade mark, "Dr. Williams' Pink Pills for Pale People." May be had from all dealers, or sent post paid on receipt of 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
