Carhartt's Allovers

Brush up against the car as hard as you like. There's nothing about Carhartt Allovers to hurt it, as in the case of ordinary clothes, for the buttons are concealed. The garment itself is neat fitting and well tailored. All seams are double stitched; all buttons are riveted and all points where the extra strain comes are doubly reinforced. A special swing pocket keeps the tools in place when you bend over. Practically all dealers carry Carhartt Allovers and are glad to recommend them.
