

## Spousal Employment

11. **Facilitate access of spouses to CFSI courses.**

**DEPUTIES' RESPONSE:** This is being done in conjunction with the review of access to training by the CFSI.

12. **Enable spouses to pursue educational opportunities in their host countries.**

**DEPUTIES' RESPONSE:** There are usually few impediments to spouses pursuing educational opportunities in other countries. However we recognize that the costs may often be higher than in Canada. We will explore ways to assist those wishing to pursue personal development activities while abroad.

13. **Double compensation for Community Coordinators.**

**DEPUTIES' RESPONSE:** We recognize and appreciate the work and services provided by community coordinators. We will allocate additional resources.
