### PRAYERS.

Mr. Kucherepa, from the Standing Committee on Standing Orders, presented the Third Report of the said Committee, which was read as follows:

Pursuant to its Orders of Reference of August 8th and August 12th, 1958, your Committee has had for consideration two petitions for private bills filed after the stipulated time under Standing Order 93, together with the reports thereon of the Clerk of Petitions, viz.;

1. *The petition of Iona Gertrude Mary Adcock Dolphin* for a bill of divorce.

Representations were made to your Committee on behalf of the petitioner that the delay in filing the petition was due to an error by the petitioner's solicitor which also escaped the attention of his local agent.

Your Committee recommends that Standing Order 93 be suspended in relation to this petition and that it be received.

Your Committee also recommends that Standing Order 94(3)(a) be suspended only in relation to Standing Order 94(3)(c). Concurrence in this recommendation will involve the levying of a penalty charge of \$100.00.

2. *The petition of the Board of Trade of the City of Toronto.*

It was represented to your Committee by Counsel for the petitioners that as a matter of courtesy towards the Council of Metropolitan Toronto it was deemed necessary to discuss the proposed application first with their Executive Committee and finally with the whole Council for its approval.

Your Committee is satisfied that these were sufficient reasons for the delay in filing the petition and recommends that the said petition be received and Standing Orders 93 and 94(3)(a) and (c) be suspended in relation thereto.
