Colonel Wilfred Bony.
Mc Gill University.

Dear Colonel Bony

I have recently received from Ottawa
a cheque for \$125⁰⁰. This is \$14⁰⁰ more
than I expected to receive, even with your
aid, and \$125⁰⁰ more than I would have
received without it.

Under separate cover I am sending you
a small token of my appreciation which is
representative only in its durability. But
a poor man can only kind suggestively at what
it means.

Thanking you sincerely and wishing you
much happiness I am.

Yours very truly.

Wilton S Lloyd.
