ENGINEERING SOCIETIES EMPLOYMENT BUREAU

Directors—Calvin W. Rice, Chairman; Charles Warren Hunt, Bradley Stoughton, F. L. Hutchinson (secretaries of the Founder Societies). Walter V. Brown, Manager.

No charges for services. Personal attention to applications for men and positions. Engineers not members of a society represented in Engineering Council are required to present introductions from members.

FOUNDER SOCIETIES

By Founder Societies are meant American Society of Civil Engineers, American Institute of Mining and Metallurgical Engineers, American Society of Mechanical Engineers and American Institute of Electrical Engineers, which founded United Engineering Society, Engineering Societies Library, Engineering Foundation and Engineering Council.

ADDRESSES

Addresses of representatives and of chairmen and members of committees can be found in the year-books of the member societies.
