## ENGLISH

- 1 Oh, I am so happy in Jesus,  
His blood has redeemed me from sin,  
I weep and I sing in my gladness,  
To know He is dwelling within.  
Oh, I am so happy in Jesus,  
From sin and from sorrow so free;  
So happy that He is my Saviour,  
So happy that Jesus loves me.
- 2 Oh, I am so happy in Jesus,  
If earth in His love is so blest,  
What joy in His glorified presence,  
To sit at His feet as His guest.
