Rat Portagite in Town.

The World had a call yesicrday from Mr.

J. P. Earngey says that Ontario's northwestern gold fields are progressing well. The three leading mines, the Regina, Sultana and Mikado, afford constant employment to about 120 menent and all appear to be making money.

The Seine River d'strict is looking up well also.

Rat Portage now has a population of 700 people, is lit by electricity and is booming a system put in whereby its water will be brought from the Devil's Gap.

News From Lake-of-the-Woods and Seine River Regions.

Rat Portage, Nov. 1.—(Special Correspondence)—Captain Crandall of Wabigoon has succeeded in associating with him a succeeded in associating with him as succeeded in associating with him as the Daly-Blair-Crandall Syndicate, and will commence active development work as the Daly-Blair-Crandall Syndicate, and will commence active development work incxt spring.

Messys. Mailing and Kempfer have secured a fine prospect on Snake Bay, east of Whitefish Bay. It has a fine vein, which pans gold freely. Some development work is being done to show up values.

Two gold bricks are on exhibition at the imperial Bank here. They are from a mill run of ore made from the Stella mine, owned by the Ontario Prospectors' Mining Co.

Reports from the Swede Bros' location on Manitou Lake are very favorable. Their shaft is down 45 feet, and a mill run has been made from the ore taken out. The result was nearly \$30 per ton.

Explorers in the region of the new discoveries northeast of Whitefish Bay approximate the distance to the Canadian Pacific Railway at 23 miles. The properties held by Dr. Scovil, Frank Moore, James Hope Like Bay Approximate the distance to the Canadian Pacific Railway at 23 miles. The properties held by Dr. Scovil, Frank Moore, James Hughles Had a Bad Tumble and His Horse Was Killed.

STRUCK BY A TRAIN.

Farmer Hughes Had a Bad Tumble and His Horse Was Killed.

London, Ont., Nov. 4.—A farmer named four this city at an easily house the went of the C.P.R. crossing a few miles east of the contact between protogene granite and slates, and show large as well as rich ore boldes. Ished with the C.P.R. at Vermillion Bay. The veins there are on the contact between protogene granite and slates, and show large as well as rich ore bodies.

Messrs. Birbeck, Mackenzie and Gauthier have been doing development work on locations R. J. 58 and C. R. 72, between Prarmigan Bay and Echo Bay. They are down 15 feet and they are going down 50 feet. They have also test pits on two properties of this content of the contact between protogene granite and Gauthier have been doing development work on locations R. J. 58 and C. R. 72, between Prarmigan Bay and Echo Bay. They are down 15 feet and they are going down 50 feet. They have also test pits on two papers are constantly grapping but cannot exterminate. Subdued, and to all appearances vanquished in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes and cause much suffering. To these Parmelee's Vegetable Pills are recommended as mild and sure. ed

rhe Battle of Inkerman Was Fought -The Old Soldiers of Toronto Will Celebrate the Event.

44 YEARS AGO TO-DAY

The many old citizens of Toronto who in their youth took part in some of the British battles will celebrate to-day in a fitting manner, as it is the 44th anniversary of the Battle of Inkerman. The Veterans intend to enjoy themselves in honor of the war and on Monday night will have their annual dinner in Camecon Hall. To-morrow the regular parade will take place to St Margaret's Church, where the Right Rev. Bishop Sewentman will deliver the annual sermon. The members will form up at the cannons in Queen's Park and at 3.15 p.m, march off by way of College-street to Beverley-street to Queen-street, and thence to the church. At the conclusion of the service the men will again "fall in" and the Beshop of Toronto, in company with several other The many old citizens of Toronto wh VAR EAGLE - CENTRE STAR

Dundee Mine

YMIR CAMP.—Prof. Meirs, an eminent British'scientist from London, Eng., who visited this camp, says: "There are many other divisions in Kootenay which bid fair in time to equal, if not eclipse the fame of Rossland." There is the Salmon River (Ymir) district, with a large number of well-developed and promising mines, including the Ymir, Dundee, Wild Horse, Tennessee, Elise and Porcupine.

DUNDEE-Mill buildings and tramway are completed. It is expected to be in full running order this month. Dundee second shipment of ore to smelter showed a net profit of \$22 per ton. SARAH LEE (Porcupine)—Rossland Miner, Oct. 20th, says: An eight foot ledge of ore has been encountered, which carries gold and silver values. Assays average \$24 to the ton in gold and silver. The shaft is down 15 feet. Mine will be worked

KEYSTONE—J. L. Parker, M.I.M.E., superintendent of the Keystone, reports good progress being made on the property. A force of men are now employed and this number will shortly be doubled, and preparations in the way of provisioning the camp are made, so that the work can be carried on all winter. A tunnel has been driven so as to tap the lead at a depth of 300 feet. This tunnel has now been driven
