THERE IS A REASON

Why some Grocers try and push off loose Teas, or substitute packets, in place of the GENUINE.

CEYLON TEA

All other brands of Tea leave a larger profit to the seller. But none leave the same lasting favorable impression upon the palates of the people.

Organization of the Province Advised at the Regular Meeting of the Association.

At the meeting of the Retail Merchants' Association in St. George's Hall last night the business was transacted.

The Committee reported that a committee of the whole House of the Local Legislature had decided to hear evidence from the association during the first two weeks of the next session.

Thorough organization throughout the province is desired, and a bill will be prepared to prevent misrepresentation in advertising. The speaker was ordered to present a report on the subject of the association's inactivity in the past.

Thanks were tendered to Messrs. German, Poy, Marter, Pyne, Leslie, and outside merchants for their interest in the association.

The Business Street Watering Committee will take decision on the subject of the Board of Works that light sprinkling and constant watering of the street is the best way to keep down the dust on the business street.

It was decided to petition the Mayor to call another meeting to discuss the transportation question.

A representative committee was appointed to consider the advisability of constructing a lavatory and waiting room downtown for ladies, to be supported by merchants.

Works that light sprinkling and constant watering of the street is the best way to keep down the dust on the business street.

German Consul's Hasty Action

Has Been the Cause of the Fresh Outbreak and Complicated the Situation.

London, April 12.—The outbreak in Samoa just when the powers had agreed upon the appointment of a commission to settle the difficulties has caused great annoyance and disappointment at the Foreign Office here, where it is regarded as making the already serious complications still more serious. While they were busy in expressing a definite opinion upon the fresh developments, the Foreign Office officials think it has been manifested that there has been hasty and aggressive action upon the part of Herr Rose, the German Consul. Although he may have many technical reasons for the part he has played in behalf of German interests, it is asserted that he has been the prime cause of the fresh outbreak, which will necessarily greatly embarrass the endeavor which the three powers are making to restore a satisfactory and amicable state of affairs.

The Foreign Office officials appear to think that it was obvious that the duty of the three consuls to uphold the decision of the Supreme Court, which, according to the telegram received, decided to place the Tani in place of the Provisional Government, and that the action of Herr Rose in sending a counter proclamation, supporting the rebellious faction, could not but have a disastrous effect, as shown by the fighting described in today's despatches. Further, the officials of the Foreign Office think it impossible to say a certain how the events will develop, but they are of the opinion that it is high time the commission should get to work in order to settle once for all the deplorable state of affairs which has arisen in Samoa. The despatch to the British Admiral, Sir George Pate, after giving the list of killed and wounded, adds: "The British and American authorities used their most energetic efforts, previous to the fighting, to reach a peaceful settlement."
