Rather Important Day in the House-Changes Foreshadowed in Future Times of Session Which Include a New Fiscal

into the dog days are not to be counhalin Island. tenanced in future. The avidity with minable sessions, lasting from midwinter to midsummer, are not in the highest cabinet favor. Mr. Borden adand an arrangement increasing do a point 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the clearing of the inascensar year on June 20 miles morth of the inascensar year on the inascensar interest of the supposed of t mitted that he recognized the fact of

Last session Houghton Lennox piloted thru the house a bill to prevent railways from contracting themselves out of their liabilities to employes in case of accident. The validity of the act was tested before the supreme court, which declared it intra irresof the Dominion parliament. Mr. Lennoy select in the house when the nox asked in the house what action the government proposed to take, in view of the fact that the Grand Trunk ilway Company stated its intention to appeal to the imperial privy council at its November sittings. The minister of justice said that when the question had been decided by the privy council it would be the duty of the government to see that the said that the s ment to see that effect was given to the act, in accordance with the ex-pressed intention of parliament. Gives a Hint.

Sir Wilfrid gave notice that the house will meet at 11 o'clock Wednesday next and sit on Saturday. Mr. Borden said he presumed there would be no railway subsidy resolutions this session. Sir Sir Wilfrid gave notice that the hous subsidy resolutions this session. Sir Wilfrid Laurier replied that there would be no railway subsidies, in fact no other business of importance, "ex-cept certain resolutions, of which I am not prepared to speak at this mo-

In introducing his bill to amend the riminal code, Mr. Fitzpatrick said its alm was to do away, as far as possible, with the mischief connected with the trading stamp system, and was designed to apply to the gentleman who disposes of the stamps, to the merchant who issues them and to the customer who seeks them.

The bill to amend the Canada Evidence Act was withdrawn.

On motion to go into supply, Mr. Foster entered a protest against the bringing down of a large sum of supplementary estimates within a few days of the close of the session, Mr. Foster concluded by moving "that this house desires to enter its earnest protest against the action of the government in keeping back until the closeing hours of the session estimates amounting to nearly \$14,000,000, or one sixth of the total of the year, and thus precluding any fair and sufficient dispenses the formula of the discussion furnity to the close of the session estimates amounting to nearly \$14,000,000, or one sixth of the total of the year, and thus precluding any fair and sufficient dispenses the formula of the discussion furnity to the france-Spanish agreement of the France-Spanish agreement or the France-Spanish agreement. ARMOUR—In ever loving memory of John Douglas Armour, died July 11th, 1903.

Bylaw Gets to Third Stage in City Council, But is There Checked and a Special Meeting Will Be Called.

The need for a new city hospital was o thoroly impressed upon the minds of the members of the city council that during all the hours of discussion yesterday afternoon and last night there was not one word of protest raised against the grant itself. There was a sentiment, a small one, in favor of submitting the bylaw to the people, and a sentiment, one that was almost strong such a string being attached to the tained that the defence of the country solely depended on the navy. The committee on defence had taken every possible phase into consideration, and would, he hoped, be able to work out the problem to the satisfaction of the charges of "padding" his orders of the charges of the c the enterprise should be shown appre-The government decided not to op-pose the motion of the Earl of Wemyss and March, which was passed without cember. When in Stratford, he wrote

Dr. E. J. Barrick, who was first heard, took the line that council had no legitimate power to increase the city debt. He went back to the days of the early nineties and spoke of the alder manic extravagance of those times, the outgrowth of which had been the formation of the ratepayers' association to protest against the procedure resorted to by council of going to the legislature to get power to get the contract that defence of his plea that the bylaw be submitted to the people. He judged from the good sense shown in the vot-
