BRITISH LABOR WILL RESIST TO LIMIT ANY MOVE THAT WILL BRING EMPIRE INTO WAR AGAIN

Special Conference Representative of All Branches of Labor Passes Resolutions Strongly Opposing Any Intervention Against Soviet Russia—Direct Action Would Be Final Resort If Necessary.

London, Aug. 13.—The opposition of British labor to assist in the war against Soviet Russia was today expressed with extraordinary vehemence at a special conference here representing all elements of the workers.

The resolutions adopted "halted with satisfaction the Russian Government's declaration in favor of the complete independence of Poland" and declared the British Labor party to resist any form of military intervention against Soviet Russia.

The meeting approved the action of the triple alliance of labor organizations in forming a committee to deal with the situation arising from the Government's policy toward the war between Russia and Germany, and it recommended the levy of a half-penny upon every member of the party to raise a fund for the requirements of the council.

Favors Direct Action.
The adoption of the resolutions viva voce vote was ratified by the delegates at the invitation of William C. Adamson, chairman of the Labor party in the House of Commons, who presided over today's meeting. He asked them to observe "the solemnity of standing for a minute, and the delegates unanimously complied with his request, a complete silence being observed in the hall the while."

James H. Thomas, secretary of the National Union of Railwaymen, one of the principal speakers at the meeting, said that if circumstances demanded, it would be for the labor movement to decide upon direct action.

"Desperate and dangerous as it is our method," he continued, "we believe that the situation is so dangerous and that the situation is so desperate that it is only desperate and dangerous methods that can prevent a calamity. The Russians do not mean that it is to be a mere strike or a simple 'down-tools' policy. If they are to be effective they mean to challenge the whole constitution of this country."

Asserting that the British Labor party members were the only people able to prevent an attack on Russia, he went on to say:

"I want to thank our comrade, Winston Churchill, for uniting the British democracy. We couldn't. Other people have achieved unity. God send us the same success."

The general secretary of the Transport Workers' Union asserted that labor was far more representative of the sentiment of the country than the House of Commons, and better qualified to pass on the "go to war or go to hell" policy.

"The conference concluded by singing the 'Internationale,' and cheering enthusiastically. By its resolutions the council of action was instructed to remain in being until it secured guarantees that the British forces would not be used in support of Poland. General Wrangle or any other military or naval force blockading Russia, and the recognition of the soviet government and the establishment of unrestricted trading and commercial relations between Great Britain and Russia."

LONDON IS MADE CENTRE FOR DISTRICT PUBLIC HEALTH WORK

Dr. W. J. McNally Has Been Appointed Provincial District Health Officer, With Headquarters in London—Many Important Developments Are Planned.

London has been created the public health centre for Western Ontario. Dr. W. J. McNally, head of the Institute of Public Health, announced today on returning from a conference with Dr. W. S. McCullough, provincial health officer, in Toronto. A branch laboratory has been opened here for some time, but the work is to be extended so that this will be the centre for this district for all public health work. This will apply particularly to the supplying of biological products such as sera and vaccines for the use of the medical profession. Until now these had to be obtained from Toronto. The allied work will also use all efforts to increase the practice of pasteurizing milk.

Dr. McNally, provincial district health officer, will make his headquarters at the Institute as a still further step in making it the public health centre of the district. He has been in this vicinity for some time, coming here from Owen Sound. The Institute will obtain quarters for him at the Institute, and the provincial authorities gladly accepted.

TWO HURT WHEN AUTO OVERTURNS

Thomas Flynn Injured When Steering Gear Caused Accident.

When a car in which he was riding with six others turned over on route to Port Stanley, Thomas Flynn, a farmer residing on the Hamilton road east of this city, was seriously injured yesterday afternoon. Injuries about the chest were suffered by Mr. Flynn and the other occupants of the auto were badly shaken up. The former was brought to his home in this city, where his condition this afternoon was reported as improved.

The party left London early in the afternoon to attend the Irishman's picnic, and the accident occurred near St. Thomas. The cause of the accident was believed to be a defective steering gear, the front wheels refusing to respond to the driver's commands and immediately prior to the car upsetting.

MANY VETERANS TO GET CLASPS

Details of Awards For Distinguished Service To Be Known Shortly.

J. W. Cunliffe, secretary of the local branch of the G. W. V. A. informed The Advertiser today that details of the awards to be given to Canadian soldiers are practically completed, and while no definite announcement has been officially made, in all probability those who participated in the following engagements will be entitled to a clasp for each, second battle of Ypres, the Somme, Lens, Passchendaele, and Arras. In addition, it is probable those taking part in other outstanding battles wherein Canadians distinguished themselves will be eligible for clasps.

To the General Service Medal, which is for all troops of the British Empire who went overseas, the clasps will be awarded.
