

FRUIT JUICES CLEAR THE SKIN.

The skin mirrors faithfully the state of the blood, and the blood shows how well—or how badly—the liver, bowels, kidneys and the millions of tiny glands in the skin are doing their work. If these organs are not properly clearing out the waste matter, the blood will be poisoned and the skin sallow, "muddy" and sprinkled with pimples.

Plenty of ripe fruit helps more than any other food to cure this condition, but even more effective, as well as less expensive, are "Fruit-a-tives." These are little tablets of concentrated fruit juices, combined in such a way as to many times increase their action on those organs that eliminate impurities. One or two "Fruit-a-tives" a day will keep the blood pure and give the skin the clear glow of health. 25c for trial size box—50c for regular size—\$1.00 for 3 boxes. Dealers everywhere should have both sizes. If you are unable to obtain "Fruit-a-tives" in your neighborhood, they will be sent on receipt of price. Fruit-a-tives, Limited, Ottawa.

POLYGAMY NOT DEAD.

Anti-Church Party in Utah Charges the Mormons.

SALT LAKE CITY, Utah, Sept. 29.—The American party, the anti-church organization, last night nominated a state ticket and adopted a platform which declares that polygamy is still actively practiced in Utah by prominent Mormon church officers and others without pretence to conformity with President Woodruff's manifesto in 1890, and that there is no intention of discontinuing the practice. Another plank charges that the church authorities monopolize many lines of business within the state, and demands the complete separation of church and state.

The state ticket is headed by John A. Street of Salt Lake City for governor.

MISS HARRYMORE'S PERIL.

SPRINGFIELD, Ill., Sept. 29.—The Diamond Special, southbound, on the Illinois Central Railroad, ran into an open switch at Diverson, 20 miles south of Springfield. The locomotive plunged into a ditch and was demolished. Elizabeth McGuire, 7 years old, was playing in a yard near the tracks, and flying fragments of the demolished locomotive killed her.

Ethel Barrymore was on the train. She could not get out of the coach door and a porter pulled her thru a window.

BISHOPS AT DEDICATION.

BERLIN, Sept. 29.—(Special.)—Archbishop McEvoy of Toronto, Bishop Dowling of Hamilton and Bishop O'Connor of Peterboro will be present tomorrow at the dedication of the new St. Jerome's College.

No Church Parade.

Just at present it is an open question whether there will be a church parade by the forces making up the Toronto Garrison. General Cotton is out of town and will not be back till the end of the week. There has been a good deal of discussion on the subject, but so far nothing definite has been given out either way.

STEAM YACHT A WRECK 250 ON BOARD SAFE

One Woman Loses Jewelry Worth \$30,000—Passengers Rescued in Small Boats.

DOVER, England, Sept. 29.—The tourist steam yacht Argonaut, which left London yesterday bound for Lisbon, carrying 250 persons, including passengers and crew, went down between Dover and Dungeness this morning after having been in collision with the steamer Kingswell in a fog. All on board the Argonaut took to the boats and came ashore here safely.

The Argonaut sank so quickly that those on board barely had time to save themselves. Fortunately the sea was smooth and the transfer of the passengers and crew to the small boats was made speedily. There was no panic. The people on board the Argonaut lost everything they possessed.

For an hour the Argonaut's boats groped about in the fog for the steamer Kingswell, which they finally reached and boarded. Finding that vessel in a sinking condition, the passengers again took to the boats and were ultimately picked up by the steamer Southwood, which brought them in here.

One woman lost jewelry worth \$30,000.

The Kingswell was beached at Dungeness to prevent her sinking.

People generally tell each other about the good things.

That is how the merits of "BOVRIL"
