● (1802)

Mr. Speaker: I declare motions Nos. 3 and 4 lost.

● (1812)

Hon. Otto E. Lang (Minister of Transport) moved that Bill C-3, respecting the reorganization of Air Canada, as reported (with amendments) from the Standing Committee on Transport and Communications, be concurred in.

Mr. Speaker: Is it the pleasure of the House to adopt the said motion?

Some hon. Members: Agreed.

Motion agreed to.

Mr. Speaker: When shall the bill be read a third time?

Mr. Baker (Grenville-Carleton): By leave, now.

Mr. Lang moved that the bill be read the third time and do pass.

Hon. Marcel Lambert (Edmonton West): Mr. Speaker, I do not think this bill should escape further comment on third reading, albeit it was before us in the past session and is with us again.

Mr. Speaker: Perhaps the hon. member may be permitted a short delay in order to catch his breath while the House reorganizes itself. Hon. members who wish to leave the chamber might do so quickly and quietly in order to permit the intervention of the hon. member for Edmonton West (Mr. Lambert).

Mr. Lambert (Edmonton West): Mr. Speaker, it is not that they are leaving; it is the fact that they leave noisily that bothers us.

There are many features of this bill which I think commend themselves to this House. The amendments upon which we voted were matters of importance; they were part of the basic
