<i>Mount Elgin Industrial School</i>	William W. Shepherd, Governor.

NEW CREDIT.

God has been graciously present with us on this mission throughout the year. Scarcely a week has passed without seeing some soul brought to a knowledge of the truth as it is in Jesus.

We have seen God's words verified more than once, "My Word shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

At the New Credit mission church good meetings and marked signs of progress; at the Delaware Line same can be said too. The missionary always receives a hearty welcome. Owing to poverty they cannot contribute much toward the funds of the Church. Good Sabbath-schools too, with a fair attendance. All these make us "thank God and take courage." Alterations and improvements to the amount of fifty dollars have been made on the mission premises, chiefly the parsonage. The day-school is doing fair work. Members, 163; increase, 37.

F. G. WEAVER.
