### DELEGATION OF U. S. LABOR UNION MEN MAY VISIT RUSSIA

To Fight Anti-American Propaganda of Russians Who Returned Home From United States

Washington, Sept. 21.—The project of sending to Russia a delegation of labor union men to fight the anti-American propaganda started there by former citizens of Russia, who returned to that country after the Russian revolution, was discussed when a commission headed by Samuel Gompers, president of the American Federation of Labor, called at the White House. Mr. Gompers refused to disclose what took place. He would only say that the soldiers' insurance legislation was taken up at the talk with President Wilson. It is known, however, that efforts of the anti-American, pro-German element in Russia has caused much worry, and that many of the labor leaders and former Socialists believe that

drastic steps should be taken without delay to counteract it. Much of the alleged anti-American feeling in Russia, it has been stated, has been stirred up by 10,000 or more Russians who emigrated to America before the war and returned to that country after the revolution. A majority of these men, it is said, spent most, or all of their time while in this country, in New York. In addition to Mr. Gompers, the delegation which called upon the president included Frank Morrison, secretary of the American Federation of Labor; Grant Hamilton, J. G. Phelps Stokes, Dr. N. S. Sykin, H. Slobodin, Morris Kass, William Corcoran and Robert Watson. Action was taken at the recent Minneapolis conference of the American Alliance for Labor and Democracy in favor of sending such a commission. A commission was authorized to confer with President Wilson on that subject. It was declared at that time that its function, if the president agreed with the proposal, would be largely to inform the citizens of Russia about the patriotic stand taken by American labor, and to do all in their power to dispel the talk of an early peace which the pro-German interests had started. Most of the Russians who hurried back to their native land after the revolution were of the radical group, who felt that this country had not met their expectations. During the visit of the mission headed by Elzhu Root, they were con-

### BILLY SUNDAY TO FIGHT TWO DEVILS, SATAN AND BILL

Thinking Seriously of Passing up Washington Engagement to go to The Trenches to Preach—Invited by Joffe's Mission

Washington, Sept. 21.—Billy Sunday is scheduled to fight the devil in Washington in January, but he may carry his battle against the old boy to the French trenches instead. Thus would the evangelist kill two birds—Kaiserism and Satanism—with one verbal stone.

Among Billy's favorite predictions about the Kaiser when he battled Broadway and New York last spring was the one wherein he declared that when the Kaiser died and appeared at the gates of hell the devil wouldn't let him in.

Sunday has had many invitations to go to France and preach in the trenches. He has had also many invitations to tour the draft army cantonments in this country. So far, owing to other engagements, he has not accepted either. He is, however, considering going to France.

After wearing himself out one day recently telling his own Hood River, Oregon, congregation what a "plastic, rahole, rum-soaked, deceitful, pusillanimous, cheap politician" Pontius Pilate was and how "rotten" he treated Christ, Billy turned to the question of going to France, and said:

"One of the hardest things I have to

### BABY'S OWN TABLETS ALWAYS IN THE HOME

go up against is saying no to invitations from commanding officers of different cantonments to address our soldiers. "One of the members of General Joffre's party, when the commission was in New York city, visited me and tendered an invitation to go to France and address the soldiers.

"We have been thinking and deliberating over it, and don't know yet what we will do about it."

Mrs. Eugene Vaillancourt, St. Mathias, Que., writes: "My baby suffered greatly from constipation so I began using Baby's Own Tablets. I was surprised with the prompt relief they gave him and now I always keep them in the house." Once a mother has used Baby's Own Tablets for her little ones she always keeps a supply on hand for the first trial convinces her there is nothing to equal them in keeping her little ones well.

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### CURING SKIN TROUBLES

So many people, both men and women, suffer from skin troubles, such as eczema, blotches, pimples and irritation that a word of advice is necessary. It is a great mistake for such sufferers and those with bad complexions to smear themselves with greasy ointments. Often they could not do anything worse, for the grease clogs the pores of the troubled skin and their condition actually becomes worse.

When there are pimples or eruptions, or an irritating or itching rash, a soothing boracic solution may help to allay the irritation, but of course that does not cure the trouble. Skin complaints come from an impure condition of the blood and will persist until the blood is thoroughly purified. It is well known that Dr. Williams' Pink Pills have effected the best results in many forms of skin disorders and blemishes. This is due to the fact that these pills make new, rich blood, and that this new blood attacks the impurities that give rise to skin troubles and disperse them; so that Dr. Williams' Pink Pills cure skin disorders from within the system—the only sure way.

It should be added that Dr. Williams' Pink Pills have a beneficial effect upon the general health. They increase the appetite and energy and cure diseases that arise from impure blood. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## Pay Will Be The Same

Men selected under the Military Service Act will receive the same pay as those now on active service receive. Pay will start from the time a man reports for duty. Money from the Patriotic Fund and Separation Allowance will also be available for selected men.

Canadian soldiers are well paid. The fact that wages in Canada are generally higher than those paid in Europe is recognized in the system of remuneration for men on active service. Clothing and all equipment in addition to food is also supplied to the Canadian soldier, leaving him with no expense except personal incidentals.

The rate of pay for men in the Canadian Expeditionary Force, other than commissioned officers, is as follows:

Pay	Field Allowance
Warrant Officers ..... \$2.00	30 cts.
Regimental Sergt-Major, if not a Warrant Officer ..... 1.85	20 "
Quartermaster-Sergeants ..... 1.80	20 "
Orderly Room Clerks ..... 1.50	20 "
Orderly Room Sergeants ..... 1.50	20 "
Pay Sergeants ..... 1.50	20 "
Squad, Batt., or Co. Sergt-Major ..... 1.60	20 "
Colour-Sergeant or Staff-Sergeant ..... 1.50	20 "
Squad, Batt., or Co. Q.M.S. .... 1.35	15 "
Sergeants ..... 1.15	15 "
Lance-Sergeants ..... 1.10	10 "
Corporals ..... 1.05	10 "
Lance-Corporals ..... 1.05	10 "
Bombardiers, or Second Corporals ..... 1.00	10 "
Trumpeters, Buglers, and Drummers ..... 1.00	10 "
Privates, Gunners, Drivers ..... 1.00	10 "
Sappers, Batmen, etc. .... 1.00	10 "

As in the case of those already gone overseas, Separation Allowances will be available for those dependent for livelihood upon selected men. The Separation Allowance is \$20.00 per month for the rank and file, \$25.00 for sergeants and staff-sergeants and \$30.00 for warrant officers. The experience is that many men can afford to assign half their pay to dependents, in addition.

A considerable number of men who have enlisted in the Canadian forces have found themselves better off under the army rate of pay, which is granted in addition to board, lodging, clothing, equipment, transportation, etc., than they were while in civilian positions. Their wants are provided for, and they receive a steady addition to the bank account each month.

Issued by  
The Military Service Council.
