To the electors of the Parish of Lancaster, Ladies and Gentlemen:

Considering that it is not in the best interests of our parish to allow the present councilors to be re-elected by acclamation I have decided, after many solicitations from electors representing the different sections of the parish, to offer myself as a candidate for the coming contest.

Holding interests both as a business man and property holder, the same should be sufficient evidence to the electors to warrant the very best that is in me, regarding the welfare, prosperity and administration of the parish, and should I have the honor to represent you after the 16th, I make one promise and that is fair consideration to all sections.

As to the present councilors personally I have nothing against them, but it is impossible to see all the electors personally and I thank those who will see their way clear to render me their support before and at the polls.

Thanking you in anticipation of such support, I remain in the best interests of the electors.
Yours faithfully,
GLENDON H. ALIAN.
