CHANGES MADE IN HOCKEY RULES

"Free Shot" Will Be Awarded If Foul Tactics Are Used

Montreal, Dec. 5.—Two changes in the National Hockey Association rules, the most interesting of which is the adoption of the "free shot" principle in instances where an attacking forward is robbed of an opportunity to score by foul tactics on the part of an opposing player, have been adopted by the N. H. A.

The second change is in regard to overtime matches, it being decided that with the points system prevailing this winter, there would be no more than twenty minutes of overtime in any game. The opposing teams change ends at the close of regular play, and if there has been no scoring at the end of ten minutes change again. If a second ten-minute session does not bring forth a tally, the game will stand as a tie, and the points divided equally. The "free shot" plan will remedy a long prevailing abuse of the present penalty system. It has frequently happened that an attacking forward, practically certain of scoring has been robbed of his opportunity by an opposing player throwing his stick, charging him from behind, hooking him, or some other foul play. The fouling player is penalized, but this profits nothing to the team which has lost what might have been a deciding goal. Under the ruling adopted last night, it is within the discretion of the referee to allow the fouled player a free shot on the goal from the exact spot where the foul was committed. The players of the defending team will be required to line up behind their own goal line, there being nothing between the player who shoots the puck and the net but the goal-tender.

HUSSANE WILL MEET PERELLI

A Finish Match in Boston—Also "Cyclone" Burns Will Meet Tom Draak

Boston wrestling fans will have a chance on Thursday night to get a good line on Youssouf Hussane, the wonderful Bulgarian, who is pressing Waldeck Zybosky, Polish matman, for a match and has big backing to meet the famous son of Poland to a finish under any kind of rules. Promoter Tuohy says that Hussane likes "em rough," so for a starter he has assigned to Hussane the task of wrestling John Perelli, the white-wind Italian. The match is to a finish, best two out of three, and will be part of the all-star programme for the opening carnival at the Hippodrome. In addition there will be a finish match between Cyclone Burns and Tom Draak, a clever Hollander, with preliminaries and open classes between local wrestlers. Hussane has not been seen in Boston since he dropped Dr. Roller, as his match with Charley Cutler, scheduled for Braves' Field in September, had to be called off on account of illness. Hussane has been going right along since that time, his only set back being at the hands of Joe Steeler, a wonderful Nebraskaan.

GOULDING HAS A FINE RECORD

World's Champion Keeps Up Steady Training—Has Won Many Medals

Detroit, Dec. 4.—George Goulding, Canada, has won so many medals in walking races that his chest is hardly wide enough to carry all of them, but he is not satisfied. He has come to the United States to get into all big meets from 75 yards to 10 miles. Most of Goulding's records have been set indoors. He holds the marks for one, two, three and four miles, and 10,000 metres. In his first shot at outdoor records, a short time ago, he set a new mark for two miles. The two-mile record was formerly held by G. E. Larner, of England. Larner holds about ten outdoor records and Goulding is after all of them. In order to be able to walk faster than anybody else in the world, Goulding trains all the time. He is in training even when he walks down the street. Goulding has done a mile in 6 minutes 28 seconds; two miles in 13 minutes 25 seconds; three miles in 20 minutes, 49 4-5 seconds, and four in 28 minutes, 6 1-5 seconds.

SPORT NEWS OF A DAY; HOME AND ABROAD

BOWLING

New Canadian Records. The Ramblers established two new Canadian records during a match game against the Wanderers in the City League fixture on Black's alleys last evening. Their single string of 561 and their grand total of 1546 have never been equaled in Canada. Allan Beatty's single string of 134 paved the way for the grand finish. They took four points from their opponents. In the second game the Nationals took four points from the Elks. The scores follow:—

Jennings Settles It

Hugh Jennings has nailed the canard about his going with the Federal League to manage the club which the independent organization says it is going to put in New York.

He declares that he never received an offer from the Federal League, and would not consider it if he had. He protests against their making capital out of the use of his name. It is a mystery to him, he says, how the Federal League ever got men of business sense "to squander so much money in such a foolish venture."

"I cannot realize how Gilmore and his associates can ever interest anyone to promote this club in Manhattan," he continued. "They may be able to do it. They have fooled me before. They may do it again in this instance, though I surely think they are bluffing about putting a club in New York."

Jennings also had something to say about the possible return of Frank Baker to the American League. Baker should be turned over to the New York Highlanders, and not be allowed to go anywhere else, if he has decided not to return to Connie Mack, according to Jennings' views and especially he does not think the Chicago White Sox should be allowed to get him.

"If Comiskey cannot win the pennant with the team he has," says Jennings, "he should be ashamed to try further toward buying a pennant. There was no better team in the league than Chicago last year."

Fraternity Has 1,100 Members. New York, Dec. 6.—The Baseball Players' Fraternity, according to the third annual report, issued today by David L. Fultz, its president, has more than 1,100 members. The report says conditions are favorable to the extension of the fraternity's activities, as all clubs of the major leagues the American Association and the Pacific Coast League are represented in it.

Is After Minor Leagues.

Barney Dreyfuss of the Pittsburgh Pirates admits that he has in mind a minor league manager to lead his team next year, but he has not carried the matter far enough to offer a contract, and necessarily he will not say who the man is.

News of the Boxers

Eddie Flynn and Young Jasper have been matched to box in Camden, Me., next Friday night.

Jeff Smith, a New Jersey middle-weight prefers to box for decisions for it is in those bouts that a good boxer gets credit he deserves. It is the same with George Chip of Pennsylvania, who will

meet Smith in the feature bout at the opening of the Army A. A. Boston tonight. Willie Ritchie is not going to let Freddie Welch get hold of any of the bank roll he has tucked away in the bank. Ritchie is willing to meet Welch at 135 pounds weight at 2 o'clock, but he will not guarantee him \$25,000. Welch had to give Ritchie that amount in England, and Welch declares that Ritchie will have to give him that before he gets a match with him.

Young Ahern and Mike Gibbons are out with a howl. The winner of their bout this week they say should be given the chance against Lee Darcy at Buenos Ayres.

Freddie Welch and Benny Leonard will meet in New York in a few weeks. George Freeman, manager of Mike Glover, is receiving many offers from New York promoters for Glover to box in that city.

Jack Britton has been offered another chance against Mike Glover at the Army A. A., Boston.

HOCKEY

Harvard Calls Out Players.

Boston, Dec. 6.—The first call for hockey has gone forth at Harvard. Always uppermost in the minds of Harvard men is the thought that next spring will again see the team acclaimed as the intercollegiate champion.

HER LITTLE BOY HAD PNEUMONIA NEARLY LOST HIM. DR. WOOD'S NORWAY PINE SYRUP SAVED HIM.

The slight cold, the irritating cough, the tightness of the chest, if not attended to, will sooner or later develop into some serious lung or bronchial trouble, and our advice to you is that on the first inception of a cough or cold "Get 'em off." Mrs. H. Washburn, Casperaux Station, N.B., writes: "I thought I would write and tell you just how much I appreciate Dr. Wood's Norway Pine Syrup. For I would not be without it in the house. Twice my little boy, now four years old, has had pneumonia, and nearly died, but since using Dr. Wood's Norway Pine Syrup I have kept him clear of even a cough. I often say that if it had not been for 'Dr. Wood's' I would have lost him."

"My little girl, ten months old, is subject to bronchitis, but when she seems to be stuffed up and has difficulty in breathing I give her a few drops of Norway Pine Syrup every two or three hours, and in a very little while she is all well, in fact, on the first signs of a cold or cough we all fly for 'Dr. Wood's.'"

You can procure Dr. Wood's Norway Pine Syrup from any druggist or dealer, but be sure and get "Dr. Wood's." When you ask for it, as there are many imitations on the market.

The genuine is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.,

REFUSED \$10,000 FOR COLT, PETER DUFFY

Cleveland, Dec. 5.—Tommy Murphy, a local wizard of the harness turf, is reported to have offered \$10,000 for the colt Peter Duffy, but unsuccessfully. Yet the two men who own him, Peter Horrocks and Davy Duffy, are far from being men of wealth.

The same blood runs in the colt's veins that courses through those of the great Peter Volo, for Peter Duffy's sire was Peter the Great. His dam was Marie Onward.

"I wouldn't part with him for \$20,000," Peter Horrocks, one of his two owners, tells horsemen. "I wouldn't name a price on him. I intend to send him around the circuit myself."

It has been the ambition of years of Horrocks and Duffy to own a Peter the

Great colt and last fall they bought this one—then a weanling—from Colonel W. E. D. Stokes at the Patchen Wilkes farm, Lexington, Ky., for \$800.

This fall they got together another \$500 and bought another Peter the Great colt. This one's a filly by May Onward.

Peter Duffy is entered in all the big futurities of next year and the year after and is also to be staked through the grand circuit.
