PROCLAMATION
His Honor the Lieutenant-Governor respectfully requests that Sunday, the twenty-third day of May, be observed as "Patriotic Sunday" throughout the province, and that on that day the clergymen of the several churches and others in sermons and addresses impress upon their hearers the necessity of further assisting the motherland in the great struggle in which she is engaged for a better civilization by joining those who have already enlisted and are now so gallantly fighting the battles of the empire.
WILLIAM CRUIKSHANK,

THE HOOSIER
"WHITE BEAUTY"
ADVERTISED IN LEADING MAGAZINES

Saturday is the Last Day Even tomorrow may end your chance to have the NEW HOOSIER for \$1.
Will you decide now to come down tomorrow and settle the matter once for all, or will you let tomorrow drift by—and then realize you are too late to decide, because of the close of the Hoosier Plan of Sale?
Scores of other women are in your state of mind. They are reading this final call tonight. And many who have postponed as you have are making up their minds tonight to come down tomorrow for a final decision.
A choice still remains between "White Beauty" (selected by 3 out of 4 women) and the Hoosiers with "Oak" interior. But the numbers are few and you cannot hope to get one if you delay. You incur no obligation by coming, so let other matters wait tomorrow while you settle this important question.
You could scarcely imagine a decision of more importance to you. For the new Hoosier is a wonderful labor-saver—already used by 700,000 women. It saves miles of steps and hours of valuable time. It saves health and good looks. It is very low in price—and on the liberal terms of the Hoosier Plan is the Cheapest Kitchen Cabinet Ever Built.

We Now Have Kept Our Promise to You
Please remember, if you come too late, that we have told you every day of the progress of this sale, and that we now warn you of the final date in time for you to still enroll if you act early tomorrow.

Read About these conveniences that have made the HOOSIER necessary to over 700,000 Women

(1) Mrs. Christine Frederick's famous "Housekeepers' Food Guide"—on the upper left door—answers every woman's eternally perplexing problem—"What shall we have for dinner?" You turn the dial to the meat you want and a complete outline of a perfectly balanced meal is before you—an exclusive Hoosier feature that is an invaluable help.

(2) The Cook-book holder on the middle upper door holds your cook book securely when not in use. When you are cooking, simply open up the book to the proper page behind the holder. It is on a level with your eye, always clean, never in the way.

(3) The Hoosier Metal Flour Bin holds fifty pounds. It is low and easy to fill. The sliding glass front enables you to clean the entire bin easily. The inside is entirely of metal, with no corners to hold flour. First flour in is always out first.

(4) The New Shaker Flour Sifter is the most wonderful of all the New Hoosier inventions. It is the only flour sifter ever made on a kitchen cabinet that shakes flour through instead of grinding it through. It cannot wear out and cannot grind through any grit or foreign substance that might be in the flour.

(5) The new Bill File is a complete bookkeeping system for most households. Most women dislike bookkeeping, but this simple book file for meat and grocery bills on the upper middle door shows exactly which bills have been paid and which have not. With it you can keep a complete, simple record of all your money transactions.

(6) Every woman has favorite recipes. If you're like most women, you have difficulty remembering where you put the one you want. The Metal Recipe Card File has 50 cards and 10 index guides. You can paste or write the recipe and file it always at your fingers' ends. A special holder is provided so you can keep any recipe you are using at level of your eye—without holding or soiling it.
