

ALL SET FOR CITY CHAMPIONSHIP PLAY-OFF THIS EVENING

WATERMEN AND ST. ROSES WILL CLASH TONIGHT

Both Teams Will Present Strong Line-up for Opening Game of Series

LOCAL baseball fans are all "steamed up" over the opening game of the City baseball championship series which is scheduled to be played this evening on the East End grounds, starting at 6:45 o'clock, between the Watermen team, winners of the City League, and the St. Roses, leaders in the City and County League at the time of its disbandment.

There has been so much controversy regarding the play-off that the fans are eager for action, and it is expected that a record crowd will turn out to see the contest this evening. The second game of the series is scheduled to be played on Thursday.

The complete line-up of the Watermen, consisting of Gorman, Snodgrass, and the other stars, will be on hand, and it is expected that Armstrong will be the hurler. The St. Roses will present a strong team on the diamond this evening and are out to take the opening session. Fitzgerald probably will do the hurling for them.

\$100,000 IS OFFERED TO TENNIS WINNER

Langlen's Manager Makes Bid For Opponent on Continent Tour

FOREST HILLS, L. I., Aug. 23.—Ellsworth Ryan, of California, for years a resident of England, this afternoon faces the seven year champion of women tennis players, Mrs. Molla Mallory, in the finals of the 49th annual championship.

There are well defined rumors that Charles C. Pyle, manager of Red Granger and Suzanne Langlen, will offer a check for \$100,000 to the winner of the title this year, if she will turn professional and accompany him on a tour of the continent.

Mrs. Mallory has decided definitely against professional tennis, but Mrs. Ryan, whose name has been linked with stories regarding the French star's action, has been non-committal.

WOMEN AS GOOD AS MEN LEADERS

LONDON, Aug. 23.—Viscountess Rhonda, who is a director in 28 important companies, refuses to believe that women as a whole are either better or worse suited to business than men. She was recently elected president of the Institute of Directors, the first woman to hold the position.

"It is surely an individual matter," she said of women in business. "It is impossible to generalize. There has been a big development recently and signs of a general awakening to the idea of women working side by side with men in business. This is a good thing, I believe, for the commercial world and for the nation as a whole. In a country where business and trade are premier factors you want to recruit the whole of the business ability of the country instead of only half."

Sir John Cockburn, inaugurating Lady Rhonda as president of the Institute of Directors, said the women generally are more even-tempered and more businesslike than men.

"They do not rise to such heights of disastrous imagination or sink to such depths of despair, and they are less likely to plunge," he said. Lady Rhonda did not agree with him.

There are now more than two hundred women acting as directors of important business concerns in England, Lady Rhonda said. She is, in her own words, "keen to see women admitted to the Stock Exchange."

May Cause Trouble

MARY K. BROWNE

Mary K. Browne is a veteran campaigner. As far back as 1912, 1913 and 1914 she ruled the fair sex domain. This year she's been playing good tennis, though can hardly be included in the same class with Helen Wills and Elizabeth Ryan. Still, she is apt to cause some trouble before the end of the national women's meeting.

BRAVES SPLIT EVEN WITH ST. PETER'S

Locals Take Afternoon Game and Visitors Evening Session—Play Tonight

The St. Peter's and "Braves All-Stars" broke even in their games at St. Peter's park on Saturday, the locals winning in the afternoon and losing at night. "Wallie" Kirkpatrick, of the old "Vets" team, who is here on a visit, looked after the twirling for the Saints in the first game and was opposed by Wynneapple, one down of the visitors in the first session, the only runs they were able to make through the game, Catcher Hammond's error being responsible for three of them, as he missed third strikes on both Dever and O'Regan and allowed Doherty to score on his muff after "Jed" had been trapped between third and home.

The Saints collected six runs in the afternoon game. He blanked the locals for seven innings, making 15 consecutive scoreless innings. The only hit made off him was in the eighth, when Mooney doubled along the left field foul line. Mooney took third on Phalen's bad peg and scored on Moran's infield out. Carpenter walked. At this point the game was called on account of darkness.

Johnston twirled for the Saints. John pitched good ball, errors being responsible for three of the four runs made off him, but he was outpitched by Wynneapple.

M. P. SOFT BALL CHAMPIONSHIPS

Sanction Granted for Them to be Held on West Side

The Senior Soft Ball League of this city has been granted a sanction by the Amateur Athletic Union of Canada for the first game of which will be played some time this week on the West Side diamond. The winners of the first series of the local league were the Veterans and of the second, the St. Johns and these two teams will play off for the league championship and also for the Maritime championships, if no other teams throughout the three provinces enter.

The second series of the Senior Soft Ball League was completed last week, the final game being between St. Johns and Ludlow, the former winning by a score of 11 to 9. This game marked the sixth straight win for the Saints, and gave them undisputed title to the series. They have played fast and aggressive ball practically every game, and with the best fielding team in the league it is going to be a tough job to best them.

The Vets, who will play off with the Saints, are composed of the most part of men who have had long experience in athletics. They are hard and timely batters and their fielding classes up near the top. With Hart and Pike to do the pitching they are well supplied with twirlers of experience and Hart is ranked as the best fielding pitcher in the league. For the Saints, Fowler is the chief performer with Legge in reserve. Fowler has won his last five starts and is going strong.

Soft ball has become very popular in the West Side for several reasons. It allows many older players to share the spotlight with younger men and has a tendency to get out players who cannot play the ball and bat in any other game. It is very inexpensive as it requires practically no equipment except the ball and bat and takes up much less space than any other outdoor game. On the other hand it has all the excitement of baseball as regards batting, fielding, base running, etc., and nine innings are played in an hour or little more.

Standing of second series:

Team	Won	Lost
St. Johns	7	2
Assumption	7	2
Veterans	3	3
Ludlow	0	7

Diamond Disputes Decided

HOW is it determined when a run has been earned off a pitcher?

It is impossible to have an earned run when the batsman reaches first base on a fielding error or a passed ball.

No run can be earned after the team in the field has had chances to retire the side and failed to take advantage of them.

The following items can figure in the making of an earned run: The player reaching the home base by the aid of base hits, sacrifice hits, stolen bases, bases on balls, hit batsmen, wild pitches and balks.

In all cases these things must happen before the fielding team has had chances to retire the side and failed to do so.
