MORE LUMBER TO OLD COUNTRY

Imports From Canada to Liverpool in June Steady

Still Awaiting in England For Improvement in General Business

Imports of Canadian lumber to the Liverpool district during the month of June were steady and the amount was slightly in excess of the previous month, according to the wood circular of Farnworth and Jardine, published at Liverpool, England. The deliveries were generally keeping pace with the imports. Business, however, was not satisfactory and the long looked for improvement was not believed to be in sight.

IMPORTS INCREASED.

Regarding New Brunswick and Nova Scotia spruce and pine deals the circular says that the import to the Mersey (which includes the Manchester Canal) showed an increase over recent months, and came to a total of 5,400 standards. Although deliveries failed to keep up the pace, they were fairly satisfactory, amounting to 4,010 standards, leaving in stock 10,470 standards compared with 8,810 standards at the end of June, 1924. Included in the above import figures there are about 1,100 standards shipped from Halifax, mostly on sonsignment. Prices realised for this stock were poor from a shipper's point of view and this consignment business has some effect upon values of the higher grade shipment.

FREIGHTS UNCHANGED.

Ocean freights were about the level of the previous month.

The amount of business was small in pine deals.

The import of birch logs came to 9,000 cubic feet with 14,000 cubic feet going into consumption. This appears quite sufficient for the disappointing demand. There was again a heavy import of planks, amounting to 108,000 cubic feet, of which only 27,000 cubic feet went into consumption. Stocks are much too heavy, amounting to 804,000 cubic feet. There is practically no demand for fresh supplies and the values are easier.

Referring to Quebec waney yellow pine timber, the circular says: About 19,000 cubic feet of first class Quebec wood arrived at Manchester, and about 6,000 cubic feet shipped from the Pacific coast came to Liverpool. Deliveries just about kept pace in both ports, leaving stocks moderate.

Square pine, red pine was seldom enquired for.

WORRIES IN THE HOME

It is These That Cause Many a Breakdown in Health

Almost every woman at the head of a home meets daily with little worries in her household affairs. They may be too small to notice an hour afterwards, but it is the same litte worries that break down the health of so many women. Their effect may be noticed in nervous headaches, fickle appetite, indigestion, pains in the side or back, and a sallow complexion. To those afflicted in this way Dr. Williams' Pink Pills, by improving and purifying the blood, bring speedy relief. Among thousands of weak women who have tested and proved the merits of this medicine is Mrs. Gustave Hutt, Bruxelles, Man., who says:—"It is with profound thanks that I write to tell you what Dr. Williams' Pink Pills have done for me. Before I began taking these pills I was weak, and my blood thin and watery. I was so thin that I looked like a skeleton. I was troubled with headaches and indigestion, did not sleep well, and was terribly constipated. I decided to try Dr. Williams' Pink Pills and I soon found that they were just what I needed. Under their use my appetite returned, my food digested properly, and I slept better at night, and gained in flesh as well as strength. The result is that now I am a perfectly healthy woman, and there is no doubt that it is due to the use of Dr. Williams' Pink Pills, a supply of which I now always keep in the house, and I would advise other women to do the same."

You can get these pills through any dealer in medicine, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Rothesay Social Notes

ROTHESAY, July 17—On Tuesday afternoon the invalid soldiers from both the Lancaster and East Saint John hospitals were delightfully entertained at high tea at the summer home of Mr. and Mrs. Leonard Tilley, Rothesay, the hostesses being the Provincial Red Cross hospital committee. The guests came from the city and returned by automobiles. The weather was perfect, everybody was happy and greatly enjoyed the event.

Rev. Mr. Gray, Anglican rector of Stanley parish, was the preacher at St. Paul's church here Sunday evening last.

At the Presbyterian church Sunday evening Rev. R. M. Matthews of West Saint John, occupied the pulpit.

Jackie Long, young son of Mr. and Mrs. E. W. Long of Fair Vale, who was injured in an automobile accident a few weeks ago, has been able to return home and is receiving a loving welcome from his host of friends who are perfectly delighted to have him back again.

On Monday evening Mr. and Mrs. W. Malcolm Mackay entertained at bridge in honor of Mrs. Charles H. Easson of Toronto, who is here, visiting at the home of Mr. and Mrs. Hugh Mackay.

Mr. and Mrs. J. Royden Thomson left Monday for a ten days trip through Nova Scotia. Crossing the Bay to Digby they planned to motor through the province.

On Tuesday evening Lieut.-Colonel B. R. Armstrong and Mrs. Armstrong entertained at four tables of bridge at their summer cottage in the park. Their guests were Mr. and Mrs. Rupert Buchanan, Mr. and Mrs. Fred C. Mortimer, Mr. and Mrs. Harry B. Robinson, Mr. and Mrs. H. W. Frink, Mr. and Mrs. Walter Harrison, Mr. and Mrs. Leonard Tilley, Mr. and Mrs. John M. Robinson and Mr. and Mrs. Arthur Bowman.

Colonel and Mrs. J. Lupton McAvity and Mr. and Mrs. Reginald Wright are enjoying a motoring trip to Quebec, Montreal and the White Mountains.

The many friends of Miss Maude McLean are glad to know she has arrived from Boston. She is guest of her brother, Major-General H. Hugh McLean at The Grove.

Mrs. Fred W. Daniel left this week for Smith's Cove, N. S. Her sister, Miss Fenety of Fredericton, is keeping house during her absence.

Mr. Eric Thomson entertained enjoyably at a sail and tea on board his yacht at the week-end. The party, chaperoned by Mrs. Percy W. Thomson, included Miss Audrey McLeod, Miss Barbara Jack, Miss Hortense Maher, Miss Helen Cudlip, Messrs. Victor Crosby, Stewart White, Don Skinner and the host.

Mr. and Mrs. W. S. Fisher are enjoying a visit from their son, Mr. Don Fisher, wife and little daughter.

On Monday evening Mr. and Mrs. Walter Holly arrived home after a greatly enjoyed motoring trip around the North Shore of New Brunswick, visiting Buctouche, Richibucto, Cocagne and other places. A visit was made to their son, Mr. George Holly, and wife at Port Elgin, where Master deB. Holly remained for a few days' visit and expects to return home on Saturday with Mr. and Mrs. George Holly, who are coming here to spend the week-end.

A surprise birthday party was given Miss Jean Henderson at the home of her parents, Mr. and Mrs. George A. Henderson, Tuesday evening, when friends called and presented her a variety of gifts accompanied by the best of good wishes. Two delicious and prettily decorated birthday cakes were among the presents.

Mrs. G. W. Parker and son of Wakefield, Mass., are visiting Mrs. Parker's parents, Rev. Q. E. and Mrs. Steeves.

On Wednesday evening Mrs. Percy W. Thomson entertained a weekly bridge club of which she is a member. Those present were Mrs. Sherwood Skinner, Mrs. G. K. McLeod, Mrs. Busby, Mrs. W. Malcolm Mackay, Mrs. Stewart Skinner, Mrs. Simeon Jones and Mrs. F. Caverhill Jones.

Guests of Mr. and Mrs. W. H. Banks are enjoying a visit from their niece, Mrs A. J. Murphy, and her father, Mr. Youngclaus, both of Staten Island, New York.

Rev. Mr. Gray, Anglican rector of Stanley, and Mrs. Gray are guests at the summer home of Mr. and Mrs. Roland Frith, Rothesay Park. Mrs. Walter A. Harrison entertained today at luncheon and bridge Ont., who is guest of Mrs. Harold Schofield.

Mr. and Mrs. Walter Harrison, Master Hugh Harrison and Master Geoffrey Jones returned Sunday from a motoring trip to Nova Scotia.

Miss Beatrice Fenety of New York is the guest of her aunt, Mrs. E. S. Carter, Fair Vale.

PEAT SUPPLY SEEN AS FUEL RELIEF

Alfred Fields to be Reopened as Private Enterprise—May Help Situation.

OTTAWA, July 17—The possibilities of peat as a household fuel in eastern Canada are to be demonstrated this winter as a result of the reopening of the Alfred peat fields by private enterprise as a commercial proposition. The outlook there is already so encouraging to Dominion fuel board engineers that they see in peat, marketed through regular commercial channels, some relief from a threatened coal shortage.

The former government experimental station at Alfred has recently been taken over by Peat Fuels, Limited, a Montreal enterprise. From this plant about 5,000 tons of peat will be available for use in Ottawa and Montreal during the coming winter.

Eyes Injured By Heat and Glare of Sun, Says Doctors

Recommend Simple Home Treatment, Which Instantly Relieves Irritation and Often Strengthens Eyes 50% in One Week.

Eye weakness, strain, squinting and irritation caused by exposure to heat, sun-glare, smoke, dust or wind—all can now be easily prevented or overcome. For eye specialists have perfected a simple but amazingly effective treatment, which instantly relieves all discomfort, sharpens vision and often makes glasses unnecessary.

This treatment is known as the Bon-Opto system, and is now being prescribed by physicians and specialists everywhere. It is based on the latest scientific discoveries. Scientists have recently found that 90% of all eye trouble is due to weakness in certain little muscles which adjust the eye. Eyeglasses alone will not strengthen these muscles, but the Bon-Opto treatment goes direct to them, heals and tonics them, and soon restores them—and therefore the eyes—to their old-time strength and vigor.

Don't neglect your eyes. The burning and aching felt after an auto trip, a movie, close work, are important danger signals. Yet every irritation and discomfort can usually be instantly banished by a Bon-Opto eyebath, and more serious trouble prevented.

Bon-Opto should be in every home. You would not think of doing without brushing your teeth. Yet your teeth are far less important than your eyes.

Get a package of Bon-Opto today. Results are positively guaranteed. Your money back without question if you are not delighted and amazed with the improvement in your eyes and sight. Bon-Opto is sold by good druggists everywhere.

RATIFICATIONS OF PACTS COMPLETED

Four Treaties Signed by Canada and United States Are Exchanged.

WASHINGTON, July 17—Hon. Ernest Lapointe, Minister of Justice and Attorney-General in the Canadian government, at a conference with Secretary of State Kellogg today exchanged ratifications on four treaties between Canada and the United States. They were the treaties on the international boundary, on the levels of the Lake of the Woods, on the enforcement of the narcotic laws, and one providing for extradition for violation of narcotic laws. The treaties were negotiated some months ago, and were ratified by the Canadian parliament and the United States Senate.

Jump From Window Saves Engineer's Life

CAMPBELLTON, July 17—A peculiar accident occurred at Shives' shingle mill here when the iron strap on the connecting rod of the large compound engine broke, causing the cylinder heads and piston to fly out, these being smashed into small pieces. The engine itself was badly wrecked. The engineer had a narrow escape and would have undoubtedly been seriously injured had he not had presence of mind immediately the accident occurred to jump out of an open window.

The mill as a result of the accident will be down for some two or three weeks.

QUEBEC UNIVERSITY PARTY FETED IN B. C.

See Vancouver, Cross to Victoria and Return For Dinner.

VANCOUVER, B. C., July 17—After spending three days in Banff and Lake Louise and making trip across the Canadian Pacific Rockies which will for many in the party remain one of the most wonderful experiences in their life-time, the University of Montreal special train arrived in Vancouver Thursday night.

In crossing the Selkirks and seeing the Canyons by daylight the French-Canadian party had a fine opportunity of admiring to their hearts content the majestic beauty of the Rockies.

On its arrival in Vancouver the party immediately proceeded to Vancouver Hotel, where special accommodations had been provided and the rest of evening was spent visiting the city by individual groups. At noon the visitors were entertained at luncheon by the "Native Sons of Canada" at Ambassador Cafe, an organization whose aim is to develop amongst Canadians a stronger nationalistic spirit. Mr. A. McCrossen, a distinguished Vancouver lawyer, Mgr. Piette, rector of University of Montreal, and Mayor Duquette of Montreal, where the speakers of this occasion.

TAKEN ROUND VANCOUVER.

After the lunch the party was taken around Vancouver and surroundings in cars put at their disposal by "Native Sons of Canada," some time being spent at new buildings of University of Vancouver overlooking Gulf of Georgia. Shaughnessy Heights, English Bay and Stanley Park were very much admired by everyone. The visitors from Quebec left for Victoria by Princess Victoria. They spent a day in the "Garden City of the Pacific" and will then return to Vancouver, where they were to be the guests of the City of Vancouver at a dinner served in Stanley Park. They were to leave for the East tonight, proceeding first through the Okanagan fruit district, Lake Kootenay and Banff Windermere motor road.

WORK STARTED ON POULTRY CONGRESS

Details For Big 1927 Exhibition Being Planned at Ottawa.

OTTAWA, July 17—Canada has started work on the "1927 World's Poultry Congress." This will be an international event and the biggest thing along poultry lines that has ever been held on the American continent. It is fitting that such an event should take place in the Dominion for in matters of poultry registration, record of performance, and egg standardization Canada is the foremost in the world.

Hon. W. R. Motherwell, Minister of Agriculture, has delegated to the congress secretaryship Ernest Rhoades, assistant chief of the poultry division, livestock branch, who last year was one of the Canadian representatives to the World Poultry Congress at Carcelona and the British Empire Exhibition. The president of the International Association of Instructors and Investigators in Poultry Husbandry, Edward Brown, of London, England, will visit Canada in September when the first meeting of the committee appointed to arrange details of the congress will be held.

House Burned At North Tetagouche

BATHURST, July 17—The dwelling of Patrick Brennan, a farmer residing at North Tetagouche, about six miles from here, was totally destroyed by fire Thursday, according to word received here today. The fire started on the roof of the main house from a spark from the kitchen chimney. A strong wind was blowing at the time. Mr. Brennan was not at home, and two daughters were the only persons around. Before any assistance had arrived the building and its contents were enveloped in a flaming fury with which the onlookers were unable to cope.

30 Acres Burn Before Blaze Is Extinguished

NEWCASTLE, July 17—The woods fire a short distance from Newcastle which started Thursday afternoon was pretty well under control by night and the heavy rain on Friday morning completely extinguished it. The fire burned over an area of about 30 acres, principally privately owned lots with little merchantable lumber on them.

The many friends of Mrs. J. Fenwick Fraser will be sorry to hear that she is ill in the Infirmary.

TIRED OUT ALL THE TIME

Nerves Gave Little Rest

Relieved by Lydia E. Pinkham's Vegetable Compound

Harrowsmith, Ont.—"I took your medicine before my baby was born and it was a great help to me as I was very poorly until I started to take it. I just felt as though I was tired out all the time and would take weak, fainting spells. My nerves would bother me until I could get little rest, day or night. I was told by a friend to take Lydia E. Pinkham's Vegetable Compound, and I only took a few bottles and it helped me wonderfully. I would recommend it to any woman. I am doing what I can to publish this good medicine. I lend that little book you sent me to any one I can help. You can with the greatest of pleasure use my name in regard to the Vegetable Compound if it will serve to help others."—MRS. HARVEY MILLIGAN, R. R. No. 2, Harrowsmith, Ontario.

In a recent canvass of purchasers of Lydia E. Pinkham's Vegetable Compound over 100,000 replies were received and 98 out of every 100 said they had been helped by its use. This medicine is for sale by all druggists.

Champion is the better spark plug and will give better service for a longer period because of its double-ribbed, sillimanite core, unbreakable in use; its semi-petticoat tip, which retards carbon formation; its special alloy electrodes; and its two-piece, gas-tight construction.

This is why Champion is outselling throughout the world.

Maintain better engine performance and economy of operation by putting in a new set of Champions at least once a year. They pay for themselves in a short time in oil and gas saved.
