LOOKS FAVORABLE FOR BIG REUNION OF TWENTY-SIXTH

Battalion Executive Committee at Meeting Last Night Made Further Progress in Preparing Attractive Programme.

The 26th Battalion reunion executive committee at its meeting in the G. W. V. A. last night made further progress in preparing the programme for the reunion and considered every means of ensuring as complete a muster of the old comrades as possible. The committee was concerned to make sure that none of the old pals was hindered from being present. James Gilbert, the chairman, presided and the completion of the various committees was proceeded with. It was decided to issue badges as a souvenir of the occasion and it was agreed that a small fee should be charged for the badges to defray expenses. As the sale of tickets was to be a guide for the committee in making preparations the importance of members obtaining their tickets early was strongly stressed. A date at the end of August was fixed for the close of ticket sales. To make it easier for the members to secure tickets additional names were added to the St. John members of the executive who have charge of the tickets in the city. The executive members are C. S. M. James Gilbert, Major W. C. Lawson, Lieut-Col. A. McMillan, C. S. M. E. Petts, C. S. M. J. W. Rawlings, Lieut. W. L. Patterson, Lieut-Col. H. G. Wood, Sergt. W. R. Longmire, Sergt. A. A. Allingham and Sergt. Charles Moore. Other names added last night were as follows: Lieut. Armstrong, D. S. C. R.; Lieut. McQuade, D. S. C. R.; Lieut. Reid of the income tax department; George P. Hennessey, E. J. McCarthy, of the post office staff, and Alexander Macdonald, secretary of the G. W. V. A. All the committees reported good progress. The issuing of invitations to special guests was left for further consideration at the meeting next week. Arrangements were made for the transportation of wounded members arriving by train or boat and of members in hospital and in the matter of sleeping accommodation for members from out of town it was thought there would be no difficulty in providing for everyone. It was reported that circular letters had been sent to all the addresses of members that could be located. While the committee has been devoting much time, energy and care to completing the arrangements it was felt that the success of the reunion must depend on the interest of every individual member and there the traditions of the "Fighting 26th" its team work and its spirit of co-operation were relied upon. And the opportunity to meet the old pals was too good to let slip. Failure was a word the 26th did not know the meaning of. The 26th members in St. Stephen and the vicinity have held a reunion each year and the committee looked to the St. John members to set an example in making the first reunion of all members everything a reunion could be.

MANY BIG GAME HUNTERS COMING TO THE PROVINCE

New Brunswick will have a record number of tourists for the hunting season according to information given out by L. A. Gagnon, chief game warden, while in the city yesterday. Already there have been inquiries from a larger number of hunters in the United States than ever before at this season of the year regarding hunting facilities in the province and the indications are that the guides will have a busy time if they attempt to accommodate all of those who would like to be piloted through the big game regions. There will be an open season for partridge again this year as there was last fall. The season will last for three weeks, opening on October 1 and closing on October 21. The season for big game will be two weeks shorter than last year and will extend from October 1 to November 20. Big game, especially deer, are reported to be very plentiful in the districts which have become so popular with the hunters. Among the tourists who were in the city over the week-end was Hon. Charles F. Jenney, of Hyde Park, Boston, a judge of the supreme court of Massachusetts. He was accompanied by his wife and they returned to Boston yesterday. Judge Jenney has been in the practice for forty years, and twelve years ago was made a judge of the superior court. Three years ago he was elevated to the supreme court bench which is composed of seven justices.

Mrs. Geo. Warman Tells How Cuticura Healed Pimples

"I had a breaking out of pimples on my face which irritated so much at night that I began to scratch and they broke out in deep, sore eruptions. My face looked so badly that I did not want to go anywhere. I saw an advertisement for Cuticura Soap and Ointment and I bought them. After using one and a half boxes of Cuticura Ointment, with the Cuticura Soap, I was completely healed." (Signed) Mrs. Geo. Warman, 15 Duchess St., Toronto, Ont.

Cuticura Soap, Ointment and Talcum promote and maintain skin purity, skin comfort and skin health. The Soap cleanses, purifies and beautifies, the Ointment to soothe, soothe and heal and the Talcum to powder and perfume.

HON. DR. ROBERTS MAKES APPEAL

Minister of Health Urges Citizens to Give Generously Today to Health Centre Fund.

Hon. Dr. Roberts, minister of health, delivered an address to the large crowd which attended the band concert which was given by the City Cornet Band in Victoria square last evening. Dr. Roberts was introduced by Commissioner John Thornton. Dr. Roberts gave a synopsis of what a health centre meant to the present and future generation in

preserving the health and the lives of the people, and he urged everyone to give generously today. He expressed his appreciation to the officers and members of the City Cornet Band for their voluntary services. He also extended the thanks of the directors of the new health centre and himself to the members of the 26th Battalion Band, St. Mary's Band and the Carleton Cornet Band which will play this evening at King square, Haymarket square and Market square, west side, respectively. He also expressed his thanks to the St. Peter's and St. John's baseball teams, who will play a game next Tuesday evening on St. Peter's ball park for the benefit of the health centre. Dr. Roberts also expressed gratitude to the New Brunswick Power Company for the loan of a street car last evening in which the City Cornet Band rode around the city and then went to the Victoria square.

HEALTH CENTRE APPEAL MADE AT A BAND CONCERT

The first appeal for the health centre was made last night at the band concert in Victoria square when the Victoria

Order Nurses assisted by some of the student nurses of the general public hospital sold ice cream cones to raise funds for the health centre. The City Cornet band gave a splendid concert programme and there was a big crowd in attendance. Miss McManus, R. N., of the V. O. N. staff was the convener for the

ice cream sale and her committee of ten nurses and student nurses made industrious saleswomen. The sum of \$76 was realized which is a tidy amount to have on hand when today's big drive begins.

George A. Blair, 55 City road, received word yesterday that his father, Wallace, Cumberland county (N. S.) Mr. Blair's father is ninety-seven years of age and was born in Scotland and went to Nova Scotia when he was a year and a half old and he has lived there ever since. Mr. Blair left on the late train last night for Wallace.
