## Mid-Season Clean-Up of Blue Suits

### 20th Century Brand and Other Reliable Makes

A number of lines of Blue Suits in Men's and Young Men's styles are sold down to one and two suits, and some have several left.

All these we have decided to clear at special prices, beginning Monday.

No matter what the original cost or selling price, all were marked down months ago to the level of next Fall's prices.

In a word, Blue Suits that sold at \$40 and \$35 (next season's prices) are now reduced to \$30 and \$25—better values really than pre-war prices. While the lines are broken, there are some in every size from 35 to 46.

Of course you are well aware that such price reductions are only possible on account of the suits being "remnants" or "lonelies."

It's a good chance to pick up a dressy suit at a very moderate price.
