### ANOTHER MOVE

SAVE WHEAT

Food Board Limits Amount That May Be Used in Breakfast Foods

Ottawa, July 11.—The Canada Food Board yesterday issued an order providing additional regulations in order to conserve wheat, by requiring the use of substitutes in the manufacture of breakfast foods now made wholly or in part from wheat.

The order provides that no person shall manufacture any rolled wheat, wheat flakes, wheat meal or cracked wheat containing more than eighty per cent of wheat flour. Manufacturing of these products of the whole wheat, from which the bran and shorts are not removed, no substitutes need be added. No alimentary paste or self-rising flour containing more than eighty per cent of wheat flour may be manufactured. The manufacture of buckwheat flour containing more than thirty per cent of wheat flour is prohibited.

Except for those products mentioned on breakfast food containing more than fifty per cent of wheat flour may be manufactured. On or before August 1, every manufacturer of the products mentioned in the order must file with the food board a sworn statement showing the ingredients and the proportion of the same constituting each product made by him.

Violation of any of the provisions of the order makes the offender liable to a fine of not less than \$100 and up to \$1,000, or to imprisonment for a period up to two months, or to both fine and imprisonment.

### RECENT DEATHS

Wentworth Lewis.

News of the death of Wentworth Lewis, which occurred in the General Public Hospital last evening, will be recalled with deep regret by his numerous friends. Mr. Lewis was well and favorably known in the community and was a prominent member of the Knights of Pythias. Mr. Lewis was a comparatively young man, being but about twenty years of age. He was taken to the hospital some few weeks ago. A sad feature of his demise is that he could pass away only a short time ago. He leaves besides his wife, three brothers and two sisters. The survivors are James and William, the firm of William Lewis & Sons, iron workers, this city, and Frederick, the customs staff. The sisters are Mrs. McDonald, of Seattle, and Mrs. Burley, of California.

At the home of the officiating minister, Rev. Dr. David Hutchison, 80 Main street, a quiet and pretty wedding took place last evening when Mr. Lewis, of the parish of Norton, in King's county, was united in marriage to Ida S. Middleton, also of the same parish and county. The newly married pair will reside in the parish of Norton.

### SUFFERED

TERRIBLE AGONY

"Fruit-a-tives" Alone Gave Him Quick Relief

Buckingham, Que., May 2nd, 1918.  
"For several years I suffered terribly from severe headaches and indigestion, and nothing did me good. I had chronic constipation. I tried many remedies but nothing did me good. Finally, a friend advised 'Fruit-a-tives'. I took this grand fruit medicine and it made me well. To everyone who has miserable health with Constipation and Indigestion and Bad Stomach, I say take 'Fruit-a-tives', and you will feel well."
