**WENT OVER THE FALLS
 RATHER THAN GO HOME**

**Find Body of Young Girl Who Made
 Good This Threat**
 Niagara Falls, Ont., July 17—The
 body of Marie Lynch, a sixteen-year-old
 girl who on July 4 told a friend that
 she would rather go over the Falls than
 go home was found in the lower river at
 the Maid of the Mist landing.
 She made good her threat. The body
 was identified by Patrolman Terence
 Reilly and her aunt, Mrs. Casey, with
 whom she had lived in Niagara-Falls,
 N. Y.
 The body was found by Mate Thom-
 as of the Maid of the Mist, and taken
 to the dock, where it was viewed by
 Coroner Thompson and taken to her
 aunt's home.

**MELBOD IS RESPONSIBLE
 SAYS CORONER'S JURY**

Halifax, July 16—The jury at the in-
 quest touching the death of Neil Suther-
 land, of Seaford, Pictou county, render-
 ed a verdict to the effect that Suther-
 land's death was caused by blows de-
 livered by George Melbod with a neck
 yoke. The coroner was J. R. Collic, M.
 D., of River John, and the witnesses
 examined were John E. Sutherland, in
 whose barn yard the quarrel took place;
 Miss Annie Sutherland, sister of John
 R., not relatives of the deceased; Chester
 Sutherland, seventeen years old, son of
 deceased, and the physicians.

**Men! Try this sham-
 poo for dandruff**

Makes the scalp feel fine
 First, rub the scalp
 fully from the crown
 to the tips of your hair.
 Then apply a
 small amount of
 Woodbury's Facial
 Soap and rub it in
 until it is gradually
 dissolved. Then wash
 with clear water, hav-
 ing the hair dry.
 Woodbury's Facial
 Soap is the
 work of an ap-
 prentice chemist
 and hair. This treatment with it loosens the
 dandruff and dead skin, cleanses the scalp
 pores at the base of each hair and restores
 them to their natural, healthy condition. The
 oil from these pores then goes into the hair,
 and gives it that gloss and softness so much
 admired. The dandruff and accompanying
 itching disappear and the scalp feels deli-
 ciously clean and "alive."
 Try it. Get a cake of Woodbury's today.
 Woodbury's Facial Soap costs 25c a cake. No
 one hesitates at the price after their first cake.

**GOT SIX MONTHS
 FOR THREATENING LIFE
 OF BRIDE ELECT**

London, July 16—The Cressa Doughty
 Tichborne, who is said to be a daughter
 of Arthur Orton, the famous claimant to
 the Tichborne titles and estate and
 who was arrested on June 24, charged
 with sending a death threat to Miss Gre-
 ville, fiancée of Sir Joseph Tichborne, was
 sentenced to six months imprisonment
 today in the second division of the
 King's bench division.
 Miss Greville and Sir Joseph were
 married the day after the threat was
 made. The latter is a member of one of
 the oldest Catholic families in England.
 For many years the vast Tichborne for-
 tune, and the baronetcy were in dispute,
 following the disappearance of the head
 of the family at sea. Afterwards Arthur
 Orton turned up, pretending to be the
 legal heir. He was convicted of perjury.

**New Way to Banish
 All Hairy Growths**

(Modes of Today.)
 Many people will be interested in the
 new and simple treatment by which
 hair or fuzz can be permanently re-
 moved from the face, neck or arms.
 This consists in making a paste with
 plain powdered deLorane and water and
 applying to hairy surface. After two
 or three minutes it is rubbed off, the
 skin washed and every trace of hair
 is vanished. This is a painless, harm-
 less method and seldom requires the
 second application to remove even
 stubborn growth, and it is so simple
 to use that failure cannot result.
 Straggly eyebrows can be made to
 grow thick and beautifully lustrous by
 rubbing pyroxin on frequently, and to
 make short, straight eyelashes come in
 long and silky, apply pyroxin at lash-
 roots with thumb and forefinger. Use
 care and don't get any pyroxin where
 no hair is wanted.

**Daily Hints
 For the Cook**

NUT CAKE
 Cream one cup of sugar and half cup
 of butter, add two eggs, one at a time
 (without beating them), half cup of
 milk, 1 1/2 cups of pastry flour, before
 stirring in the flour add the broken nut
 meats; one teaspoon of cream of tartar,
 half teaspoon of soda sifted with the
 flour (several times). I get half pound
 of English walnut meats, reserve enough
 for the top of the cake, then chop the
 rest. Frost with butter frosting.

PLUM TART
 Make a good crust with half pound of
 sifted flour, quarter pound of butter, one
 tablespoon of sugar, the beaten yolk
 of an egg, a pinch of salt, and just
 enough milk to mix smooth. Line the
 edge of a deep pie tin with a strip of
 this paste, fill it with ripe stoned plums,
 add a small cupful of granulated sugar
 and cover the pie with the crust. Orna-
 ment the edges and bake in a good oven
 until very lightly browned. Sprinkle the
 top with powdered sugar and serve with
 whipped cream or a thin boiled custard.
