**Bathurst Defends Trophy.**  
The Bathurst curlers successfully defended the McLellan cup last night in the first challenge match of the season when they defeated two Chatham rinks by a total of 40 to 18 points. The next challenge match for the cup is booked for next Wednesday. Both the Bathurst and Fredericton clubs asked for a postponement owing to the big bonspiel in this city, but the trustees refused the request and announced that the club that would not play would have to default the match.

**Paddock Will Compete.**  
San Diego, Calif., Jan. 4.—It is learned here that Charlie Paddock, holder of several sprint records, will go east next spring to compete in a number of important meets. The former University of Southern California star, who now sports the silks of the Los Angeles A. C., is anxious to regain some of the prestige he lost when he refused to compete in the Intercollegiate and National championships last summer. "I am going east to show my critics that I am not a false alarm sprinter," is the way Paddock put it. I have mapped out a schedule and hope to regain the national title at both 100 and 220 yards. I would like to have gone east for the big indoor events, but cannot run on the boards.

**Tener to Be Head?**  
New York, Jan. 4.—The members of the Baseball Players' Union apparently have given up hope of inducing one of their number to be a candidate for the presidency of the organization, if a report in circulation is true. According to this report, efforts are being made to have John K. Tener, ex-Governor of Pennsylvania and former president of the National League, accept the office. Mr. Tener was elected president of the National League on Dec. 9, 1919. He held the post until December, 1919, when he was succeeded by John A. Heydler, the present head of the league. He played professional baseball in his younger days, starting his pitching career in the New England League with Wilbert Robinson, now manager of the Brooklyn club, as his battery mate. He was a member of the Chicago National League club in 1888 and 1889.

**McGraw Looks To Pirates.**  
New York, Jan. 3.—Pittsburgh is the team the Giants will have to battle hardest to win another National League pennant, said John McGraw in a forecast of what is to come during the New Year. Before Pittsburgh and Cincinnati McGraw picks the Pirates as the hardest nut to crack. "The Pirates are strong in the outfield and infield, fast on the bases, steady fielders and a club that will get good pitching," he said. "Russell may not keep a quite such a heavy batting clip, but he is a very hard hitter, and Carey is a demon in center field. The Reds are strong also, but Rixey had the best year of his career, and may not repeat it this year. Couch struck me as a pitcher who went beyond his normal speed."

I don't think the Reds are quite so well balanced as Pittsburgh. Fonseca, for instance, is a fine hitter, but not such a good second baseman. If Dagert doesn't get his \$4,000 raise and quits it will be a serious blow. The Cubs and Cardinals, McGraw said, do not shape up as winners, but the Chicagoans stand the better chance of finishing in the first division.

**HOCKEY.**  
Bathurst Defeats Shediac.  
Moncton, N. B., Jan. 4.—In the N. B. and P. E. I. Hockey League last night at Shediac, Bathurst defeated Shediac Regina Trims Edmonton.  
Regina, Jan. 4.—The Regina Capitals handed the Edmonton Eskimos their second defeat of the season, defeating the league leaders 4 to 2, in a Western Canada League game here last night. Hay scored three of the Capitals' goals, and Moran the other. Newell and Morrison contributed the Eskimos' counters.

**Canadians and Boston.**  
Boston College hockey team is given a high rating in Canadian intercollegiate hockey because it was able to defeat McGill, while two of the Hub's club teams, Boston Hockey Club and Victoria, failed. Several Canadian teams want to face the maroon, and Manager George V. Brown of the Arena is planning to bring in some of the strongest combinations.

Boston College is unable to obtain games with American college teams, who undoubtedly do not relish engaging in a contest that does not assure victory. It is said that Princeton may oppose the maroon in the Hobeby Baker ring in Princeton, although negotiations have not been closed.

Loyola College of Montreal wired Coach Frank Shaughnessy of McGill to try to book a game with Boston College. Other teams desiring to oppose the Eagle are Mt. Allison College of New Brunswick, Dalhousie, King's College, Sons of Ireland and the Montreal Vics.

The Berlin, N. H., team also wants to tackle the maroon. Berlin has a strong team. It is rated on the same level with the majority of Canadian teams that visit Boston, and it will be recalled how well it played in two games last season at the Arena.

**AQUATIC.**  
Miss Detroit VI Wins.  
Los Angeles, Jan. 4.—Miss Detroit VI won the seventy-five mile boat race from Los Angeles harbor in one hour 55 minutes, 56 seconds yesterday.

**RING.**  
Jack Johnson Fined \$5.  
New York, Jan. 3.—Jack Johnson, negro, forty-two years old, former world's champion heavyweight pugilist, was fined \$5 by Magistrate Norman J.

Marsh, in the Traffic Court for violating the traffic regulations by failing to stop on signal at Seventh Avenue and Fifty-fifth street, Dec. 6 last. Johnson explained that he had not intended disobeying the regulations, but that his ten-thousand-dollar automobile was a little hard to manage. He paid his fine.

**Want Champions To Defend Titles.**  
(New York Times.)  
Local patrons of boxing are hopeful that the New Year will bring with it resolution on the part of the ring champions to give more attention to the defense of their titles than has been their wont in the past. Once it was reasonable to expect of a champion that he engage in bouts against men of his own weight after becoming accustomed to the strange estate of a title-holder. Now such an expectation has come to be regarded as an unreasonable demand on the part of those whose patronage support the athletes; basking in the distinction of champion of this or that pugilistic division.

The champions seem to forget that they are important only because the boxing public likes to regard them in this light. They overlook entirely the fact that this particular public is indeed fickle—that the men of the heights today can be dashed to the depths tomorrow. Popularity makes or breaks ring idols.

Pancho Villa, the Philippine lad whose ring characteristics justify classifying him with the once great Terrible Terry McGovern and Mickey Walker, Elizabeth's fistic idol, are two champions of whom the boxing public expects great things and yet have received nothing. Villa won his title, the American flyweight championship, from Johnny Buff last summer and has since refrained from risking the mythical crown against any qualified challenger. Frankie Genaro has twice defeated Villa. These triumphs for Genaro came before Villa gained the title. Villa has since steadfastly ignored the lad who demonstrated on two occasions that he was the Filipino's master. Not alone has Villa ignored Genaro, but the champion has adhered rigidly
