Tilton, son of Wm. Tilton, 115 Leinster street, who has third place, was the class leader last year. These three pupils have been close contestants for first place throughout the year.

Miss Edith Brown, who comes fourth, has always been close to the top. She is the daughter of H. C. Brown, 33 Portland street.

## Kellogg's Bran delights father by bringing health to children

Poor little kiddies—they needed bran badly. But they wouldn't eat ordinary bran. They didn't like them. Most folks don't. Then their father tried Kellogg's Bran, cooked and krumbled. What a difference! He tells the story in his letter:

"Dear Sirs:

I wish to express my appreciation of your Krumbled Bran, which I have used for my children this summer. We had a great deal of trouble with them through constipation, and bran had been the most satisfactory remedy but they could not be induced to take the old varieties because they disliked them so. They enjoy the Krumbled Bran and consider it an essential ingredient of their porridge. No one whose children have not been troubled in this way can appreciate the relief there is in having their bowels move regularly."

(Name and address on request.)

Constipation is a dangerous disease. It should not be neglected. But do not try half-way measures in seeking relief. Kellogg's Bran is ALL bran. And it takes ALL bran to be 100% effective. Kellogg's Bran is guaranteed to bring permanent relief, if eaten regularly, in the most chronic cases. If it fails, your grocer will return your money.

Eat two tablespoonfuls daily—in chronic cases, with every meal. Eat it with milk or cream. The flavor is delicious. Sprinkle it on other cereals. Cook it with hot cereals. Try it in the recipes on every package. It will bring you health. Begin eating it today. Made in Toronto, Canada. Sold by all grocers.
