DRAMATIC ENTERTAINMENT

IN HAMPTON ENJOYED

One of the largest audiences ever
gathered in the Assembly Hall of Ham-
pton last night enjoyed the fine
entertainment presented by the
Hampton Dramatic Society. The
club opened on last Friday evening un-
der the auspices of Hampton Court
Chapter I. O. D. E. The programme
opened with the rendering of "O Can-
ada" by the Hampton Court Band, who
were enthusiastically applauded, and
obliged to respond to an encore. A
dramatic recitation, "The Puddled
Man," by Master Cedric Taylor, was
heartily enjoyed and as a second num-
ber, he gave "Jennie's Joke." Especially
enjoyable were the selections by the
male quartette composed of A. Milton
Dunn, Harold Fairweather, Benton
Keirstead and Captain Mabel. A fea-
ture of the evening was a stump speech
by George Stratton, which elicited roars
of laughter.

During the intermission several selec-
tions were rendered very effectively by
the Hampton Court Band, which was
re-organized recently and is rounding
into shape splendidly under the direction
of Leonard Fairweather.

The second part of the programme
consisted of the presentation of the one
act farce "Winklers," one of the pre-
mier little plays given in Hampton for
some time. The ladies of the cast are
members of Hampton Court Chapter I.
O. D. E., and the men—most of them
are connected with Hampton Dramatic
Club. The cast follows:

Miss Sara Adams, a rich spinster...
Miss Helen Desmond...
Miss Evelyn Chipman...
Inez, her youngest niece, the maid
of honor...
The bridesmaid...
Frances Page...
Miss Marietta Freese...
Ethel Ross...
Anna, the colored maid...
Miss Louise Scribner...
John Phelps, a rich old bachelor...
Chester Phelps, his nephew, the groom...
Parker Glenn, the best man...
F. W. Bartlett...
Miss Adams, the bride...
Time—September, Mabel's wedding
day.

The performance, which ran smoothly
from start to finish, was keenly en-
joyed by the large audience who showed
their appreciation by frequent hearty
applause. The dialogue was bright and
sparkling, the play abounding in funny
situations. The various members of the
cast were well received and the produc-
tion, staged under the direction of Har-
old Fairweather, was decidedly a suc-
cess. During the evening ice cream was sold
by members of Hampton Court Chap-
ter I. O. D. E., and added a tiny sum to
the large amount derived from the sale of
tickets.

DOMINION POLICE TAKE 4,447 IN TORONTO AND CENTRAL ONTARIO

Toronto, Mar. 26—Toronto headquar-
ters of the Dominion police report that
the week just ended 4,447 alleged
M. S. A. defaulters were apprehended
in Toronto and the central Ontario dis-
trict. One hundred of these were found
to be defaulters, and were placed in the
army.

ONTARIO ACTIVE

Working There for Greater Food Production—Some of the Things They're Doing

(Toronto Globe.)

Last week the town hall at Weston
was packed with boys and girls from
the high, public and separate schools,
who marched from the schools, headed
by their own music to hear a lecture on
vegetable growing. The chairman, Rev.
W. M. McKay, explained in a few words
the urgency of the food situation and
the necessity of growing vegetables on
every square foot of available land in
Weston. Inspector Campbell told of the
good work going on in the rural schools
in vegetable growing and urged the
splendid fair these rural schools add
in the autumn. T. D. Dockray, presi-
dent of the Ontario Horticultural As-
sociation, complimented the boys and girls
of Weston on the good work they had
done last year in growing vegetables, and
urged them to take up the most ad-
vanced phases of vegetable growing, even
raising their own plants in a hothouse
growing the seed of such vegetables as
cabbages, beets, carrots, turnips, onions
and cauliflower by taking some of the
roots and heads of these out of their cellars
and planting them in spring. This
would prevent the shortage of seed that
is feared next year.

The different kinds of vegetables were
discussed, and all cultural directions
given.
Mr. Alexander, the headmaster of the
school, helped the lecturer much by hav-
ing the small government plan of the
10,000 foot garden copied on a blackboard
and pointing out the plan to the pupils.
The pupils took notes on the lecture, as it
is the intention to have compositions
written on the subject next year, and the
best of these published in the local
paper. In the evening Miss M. E. Black-
lock of Woodstock gave a lecture on
the Horticultural Society. Again the
town hall was crowded. Mrs. Lyons,
the vice-president of the Weston Hor-
ticultural Society, was in the chair. Miss
Blacklock urged upon the audience the
necessity of growing all the vegetables
possible and of growing some vegetable
seed, too. She then gave most interesting
descriptions of the 150 slides of Rowan-
ton's Garden, her charming place at
Meadowdale. Many of the groupings
and combinations of color are unique,
and will give great delight. Dr. P. E.
Bennett set down some slides showing
horticultural society work and bird
houses. St. Thomas' that gave great
satisfaction.

Halifax Horticultural Society had
a home production association last year.
This did such good work that it met
again last week, organized for this year.
The club will take up advanced work in
the interests of greater production. In
the vacant lot work great care will be taken
that no lot is unsuitable for vegetable
production are assigned to the members.
Equal care will be taken to see that all
are assigned to members are properly
cared for and all instruction and en-
couragement possible given to those who
are new.

A woman's horticultural society has
been formed in St. Thomas.

Port Hope Horticultural Society last
spring had a lecture from Mr. Ingram.
Immediately thereafter the Port Hope
club took up the work of the year.
This will go ahead this year, now har-
vesting the fruit of the work of last year.
The club received a grant from the
town council and have some of their
lot already in a fair way of being
prepared for the gardeners. Sidney
Johnston's lecture at the central techni-
cal school was crowded, the instruction
on vegetable growing proceeding with
palpable care on the part of the lec-
turer. The moving pictures exhibited
showed various phases of vegetable
growing, and were of great help to
those who had attended the course.

Niagara Falls Organized.

Under the auspices of the Niagara
Falls Horticultural Society the citizens
will work for a good crop of vegetables
this year. This horticultural society has
only recently been organized, but the
