KING STREET EAST, TORONTO,

Will be happy to Supply SUNDAY SCHOOLS with the

The Rate of Postage being only ONE CENT FOR EVERY FOUR OUNCES, gives great facilities for the transmission of these Publications through the Country. Twenty-five "Band of Hope" can be sent to any part for Three Cents, and the same number of "British Workman" for Five Cents.

W. C. & Co. would urge upon Superintendents and Teachers who propose beginning the year with any of these Periodicals, to subscribe in time, as there is always delay and difficulty in procuring back numbers.
