STRICKEN IN THE STREET

Completely Restored To Health
By "Fruit-a-tives"

382 St. Valier St., MONTREAL.
"In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years, and my weight dropped from 225 pounds to 160 pounds. Then several of my friends advised me to try 'Fruit-a-tives'. I began to improve almost with the first dose, and by using them, I recovered from the distressing Stomach Trouble—and all pain and Constipation were cured. Now I weigh 208 pounds. I cannot praise 'Fruit-a-tives' enough". H. WHITMAN.

and Dr. and Mrs. Taylor from Inwood. Among the flowers was a harp from the Fletcher Manufacturing Company's employees and a sheaf from the Munroe boys at Walkerville. The pallbearers, chosen by the deceased, were Fred and Alfred Aldred, Chas. Scott, M. L. Farrell, P. J. Morrison and Thos. Brand.
Rev. G. S. Lloyd, M. A., recently ordained to the ministry and inducted to the pastoral charge of Glencoe Presbyterian congregation, took up his new duties on Sunday and preached to large congregations morning and evening. The services took on a new inspiration, and the outlook is promising for a fruitful work by pastor and people. Mr. Lloyd discoursed in the morning on Co-operation, and in the evening from I. Cor. 1:23, "We preach Christ crucified." Outlining what he believed to be the duties of a minister, he asked for the sympathy and co-operation of his congregation. He hoped, after the example of Paul, to preach Christ crucified, as the only salvation for a sin-darkened and war-cursed world. The choral part of the services was more than usually attractive, and included anthems by a strong choir, a solo, "My Task," pleasingly rendered by Mrs. J. A. McKellar, and a quartette, "I want my life to tell for Jesus," sung with splendid effect by Mr. Lloyd, Mac McAlpine, J. A. McKellar and W. J. Strachan.

The death occurred at Edmonton, Alberta, on Thursday of Wm. F. Fawcett, for 45 years a resident of Strathroy, and engaged in the contracting business there. He was in his 60th year, and left Strathroy a few years ago for Edmonton, where he had been engaged in the real estate business. He came to Strathroy from Ingersoll, and was of Irish descent. He was twice married, and is survived by his widow, one son, James Maxwell Fawcett, of Toronto, and one daughter, Mrs. Arthur Wright, wife of Reeve Wright of Glencoe. Interment was made at Strathroy on Wednesday.

Among those from a distance who attended the funeral of the late Alfred J. Sullivan last week were his brother and two sisters from Detroit, his son Harry from Chatham, Neil McKellar and daughter from Saskatoon, Archie Munroe from Walkerville, Mr. and Mrs. George Johnston from Bothwell, Pte. Job Clifford Fisher, son of Job Fisher of Munroe, was yesterday reported admitted to hospital on April 10th with gunshot wound in hand. Pte. A. Honeycutt, another Munroe Indian, is reported ill and wounded. A citizen complains that there are altogether too many dogs in Glencoe for the amount of dog taxes credited in the town accounts, and would like the council to explain why. He also thinks the assessment rate on dogs should be materially increased.

Wm. Stinson was summoned to appear before D. C. McKenzie, police magistrate, on Saturday afternoon, April 14th, for alleged abusive language towards Frank J. Aldred. Before the court opened the case was settled between the parties. Mr. Stinson making apology.

Please do not wait till Wednesday to send in news for publication in the Transcript. The day after copy for printing reaches us, the better. As soon as one issue of the paper is out, we are ready to receive copy for the next. This applies to advertisements as well as items of news.
All passenger trains on the London-Windsor division of the Grand Trunk that were cancelled last November will be restored on April 20th. The afternoon mail train from the east will arrive as formerly about 6:35, which the people at Glencoe and points west of here will not appreciate.

Mrs. Christina Mitchell, cousin of the late Dr. McIntyre, Glencoe, died on Wednesday at her residence, 363 King street, London, of pneumonia, which she contracted at Strathroy. She was 66 years old and before her marriage was Miss Christina Campbell. The funeral was on Friday to Woodland cemetery.

Levi Smith, lately returning from Belleville a few days ago, had his club bag stolen in the railway ticket office in Toronto. While buying a ticket he placed the bag on the floor beside him, and when he reached down to pick it up it was gone. The bag contained wearing apparel, etc., to the value of some \$35.

David Leitch, field man for the Dominion Sugar Beet Company, has 400 acres contracted for in his territory, which takes in the shipping points of Ferguson Crossing, Walkers, North Glencoe and Appin. Prospect of continued good prices for sugar is encouraging farmers to cultivate more of their land to beets.
Some people are evidently not aware that it is a criminal offence to deliberately send false news to a newspaper, especially if it has a personal bearing. A couple of weeks ago a piece of news coming under this definition was sent in to The Transcript and to this office was added that of forgery. The signature of the person the item was meant to annoy was signed to the news item. Such work is most dastardly and we give warning that any repetition of it is bound to cause trouble for the guilty party.

WINNER OR WASTER—Which Are You?

On a recent public occasion the Honorable the Minister of Finance for Canada, in addressing a representative Canadian audience, dealt with the urgency of everybody doing, even in the smallest way, their share towards aiding the Empire.
It is well to remember that every dollar thrown away extravagantly does one hundred per cent. more good to the enemy than one dollar saved by ourselves.
The wealth of the world finally filters through individual dollars, and if the curse of extravagance strikes deeply enough, our ruin is bound to follow.
Save a dollar TODAY and do a hundred per cent. more for the Empire than your extravagant neighbor does for the enemy.
