There is much comment in league circles over the attendance in the Michigan towns especially during their holiday and Sunday games. Saginaw which leads the league, drew 6,0 to last Saturday's fixture and 1100 at the Sunday game. Flint, the largest town of the American quartette, of which much was expected is proving to be a bloomer in the manner of attendance. Memorial Day games there drew the mammoth attendance of something like 1000 fans. It takes the Canadians to show them up anywhere. In the International, Toronto is outdrawing any two clubs on the circuit.

Saginaw turned the tables on the Red Sox yesterday by 6-2. A bombardment of hits in the eighth, including a homer, three bagger and two bagger, followed by three bases on balls, put the game on ice as far as Brantford is concerned. Knotty Lee continues to strengthen his club. The announcement is made that Catcher Huggins has been secured from the Newark Internationals, and that a deal is being put through for the transfer of Lotshaw of Flint.
