AYER'S Sarsaparilla

cures Rheumatism, Neuralgia, Rheumatic Gout, General Debility, Catarrh, and all disorders caused by a thin and impoverished, or corrupted, condition of the blood; expelling the blood-poisons from the system, enriching and renewing the blood, and restoring its vitalizing power.

During a long period of unparalleled usefulness, AYER'S SARSAPARILLA has proven its perfect adaptation to the cure of all diseases originating in poor blood and weakened vitality. It is **a highly concentrated extract of Sarsaparilla and other blood-purifying roots, combined with Iodide of Potassium and Iron,** and is the safest, most reliable, and most economical blood-purifier and blood-food that can be used.

Inflammatory Rheumatism Cured.

"AYER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years.
W. H. MOORE."
Durham, Ia., March 2, 1882.

"Eight years ago I had an attack of **Rheumatism** so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.
E. F. HARRIS."
River St., Buckland, Mass., May 13, 1882.

"Last March I was so weak from **general debility** that I could not walk without help. Following the advice of a friend, I commenced taking AYER'S SARSAPARILLA, and before I had used three bottles I felt as well as I ever did in my life. I have been at work now for two months, and think your SARSAPARILLA the greatest blood medicine in the world.
JAMES MAYNARD."
520 West 42d St., New York, July 19, 1882.

AYER'S SARSAPARILLA cures **Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin.** It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

UNFERMENTED WINE,

Prepared for Sacramental and Dietetic use by

F. WRIGHT, MANUFACTURING CHEMIST.

KENSINGTON HIGH STREET, LONDON, W.

"This WINE is guaranteed to be the juice of the finest grapes of the Cote d'or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGES, ESQ., M.D., F.C.S.,
Public Analyst for Antrim County and Belfast Borough.

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constituents of grape juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BURWASH,
Formerly Professor at Mount Allison Wesleyan College, Sackville, N.B.

Sackville, May 23rd, 1882.

"I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steps taking two days. This Wine contains NO ALCOHOL, nor any deleterious ingredient. * * * It can be relied on as wholesome, not having any intoxicating properties. * * * *."
