CALGARY HOSPITAL

The Hospital is situated on the corner of 17th and 18th Sts. N. W. of the City of Calgary. It is a large and modern building, and is equipped with the latest appliances. The Hospital is open to all patients, and is managed by a Board of Directors. For further information, apply to the Hospital.

The Hospital is a charitable institution, and is supported by the generosity of the public. It is a place where the sick and suffering are cared for with the highest skill and attention.

Notice to Ranchers

As we are anxious to get a list of all important stock in the country, we would ask ranchers to send photos of the same, with full description, for insertion in our columns. Only first class stock should be sent.
