WORTH KNOWING

"It is the safest and fairest Policy I have ever seen," was the remark made by a prominent representative of one of the largest and best American Life Insurance Companies when he had carefully examined the ordinary Life Policy of The Temperance and General Life Assurance Co.

This is the only policy offered to the Canadian public that can neither lapse nor expire, as to its paid-up value, till death ensues, after three annual premiums have been paid on it.

Our Policy is a straight promise to pay—like a bank draft, almost unconditional. No restriction on travel or occupation. Is nonforfeitable after two or three years—even for failure to pay renewals. Remains in full force till the value is exhausted. It provides a legacy certain, instead of a law suit possible. There are three classes—Abstainers, General and Women—giving each in profits the true benefit of its own longevity. RATES compare favorably with any in the world. Choice of all sound plans of assurance offered, no other. Extension of Agencies in the Maritime Provinces contemplated. Correspondence solicited.
