

The Student Voice

Last Tuesday, the *Gateway* asked people on the first floor of SUB the following question:
Do you think it would be good if

the PC's got back in power with the same majority as last time? Why? Some of the answers we got are as follows:

"No, it would not be very good at all. They haven't taken care of Albertans as well as they could have, and considering their situation, they could have very easily. They've been too long in power for any democratic government."
Edward Shihadeh.

No way. It is a very boring system when you only have a one party system."
Coli Fakinlede.

"No. We need more opposition to balance things out, to give them something to fight against, so they don't have sole control over the entire province."
Marilyn Dewit.

"Yes. I'm from BC, and I've only been here for a couple of months, but as far as the economy goes, it would be good."
Kelly Finck.

"Heck no. I feel good government is achieved through a good strong opposition."
Danny Stephen.
