

Ottawa 19th December 1894

Sir,

Will
Ans. 9/12/94

I have to acknowledge the receipt of your letter of the 4th Instant, enclosing a resolution adopted by the Cape Croker Band appointing Mr Thomas Kelly, Millwright and yourself to select a suitable Saw Mill with a view to the same being purchased for the Band; and in reply I beg to inform you that the Department approves of the suggestions submitted in your letter. It will therefore be for you and Mr Kelly to see the Mills and report the result to the Department. If it is decided to purchase a new Mill it should be had from Messrs Abell & Son, ^{manufacturers} as desired by the ~~Minister~~. *provided the price is favorable*

Your obedient servant,

Deputy Superintendent General,
of Indian Affairs

J.W. Jermyn Esq.,
