

143174

I would like to go just now to Ottawa to speak personally on the subject but for the fact that I have not the means of doing so, but I hope that after my Indians have hunted for a time that I may collect from them a little sum to enable me to go to Ottawa about 15th January 1894

Hoping you will favour me with a reply by first opportunity

Yours

your obt. servant

Louis Nawastish
