Ottawa, Sept. 27, 1909.

Dear Dr. Eby,-

I thank you cordially for your letter of the 25th instant received this morning. I am leaving this afternoon for St. John, N. B., and am, therefore, too hurried to get the information you wish in regard to the French translation and how to reach the Clergy and public throughout Quebec until after my return. However, I am instructing my Secretary to see Mr. Marcell, and have the information at hand to send you as soon as I return.

I am much delighted with the progress the Society is making in the Peace Movement.

Yours sincerely,

(S'g'd) W. L. MACKENZIE KING.

Dr. C. S. Eby,
Sec. Canadian Peace and
Arbitration Society,
88 College Street,
Toronto.
