

July 1892.

Sir

I have the honor to inform you that Mr. Cole's measurement of the length of the route on the unceded part of Manitoba has been accepted, as the Indians themselves have agreed for a distance of the Province of Manitoba.

You will have been informed that Mr. Cole's measurement would be accepted by the Department.

Yours obediently,  
our obedient servant,

*W. J. H. Murray*  
*Secretary*
