Ottawa, July 30, 1920.

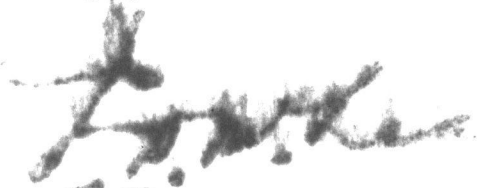

Sir,-

The Department has received a complaint regarding the conduct of Miss Jane Polson, teacher of the Long Point Summer School.

I have to request that you will be good enough to enquire into this matter and state whether you would recommend that her services be dispensed with before the present summer term ends, or that she be permitted to teach the balance of the summer term.

Kindly give this matter your early attention.

Your obedient servant

Assistant Deputy and Secretary
