The Defending Officer Submits That a Prima Facie Case Has Not
Been Established By The Prosecution With Respect To The Second
Charge.

Sir, in view of the second charge, or at least, I submit, that in view of the fact, the accused as shown in the Charge Sheet, was absent from A.20 until 2100 hours on the 8th of June, and according to the evidence given by the first witness for the Prosecution, and that she definitely stated that the kit was checked at 1030 hours on the 8th of June, it is obvious that the charge is out of order, in that, the accused was not present at the time of the kit inspection, therefore, the deficiencies, I feel in any way, cannot be correct. In view of this, sir, I feel that the second charge is out of order, in that the accused was not present at the inspection of his kit. Thank you, sir.
