

- Q. Do you know the names of any of the people that lived in the immediate vicinity?
A. No sir.
- Q. You have stated before that Pte Brisson came back to your truck and said you were a good driver?
A. Yes sir.
- Q. Do you know why he came back and told you were a good driver?
A. Pte Brisson while driving rather fast came to a stop rather suddenly but I still had time to put the brakes on, that is why he afterwards stopped and come to me and told me I was a good driver.
- Q. What did he appear like, what was his condition at that time?
A. At that moment he was altogether changed, he was very pale and his hair was over his face.
- Q. Did his condition seem to be about the same as when you left En HQ?
A. No sir, not at all.
- Q. How - you also said he went away talking when he left your truck?
A. Yes sir.
- Q. Have you any idea what he was talking about?
A. No sir, he went away from me very fast and talking very low.
- Q. Did you know who he was talking to?
A. No sir, he was talking to himself since he was facing the truck.
- Q. Did either of you have any more liquor when you stopped there?
A. For my part I didn't take any I don't know whether Pte Brisson took any.
- Q. Did he have an opportunity to take more?
A. I don't believe so.
- Q. Do you know whether he still had some with him at that time?
A. Yes sir, he still had some.
- Q. Where was it?
A. The liquor was in the truck, I don't exactly know where except that one bottle was behind the seat.
- Q. Do you know if anything happened to that bottle?
A. That bottle disappeared, I don't know where it went to, I didn't take it.

Pres: Will you point out to this witness he is under oath but nevertheless there is no charge against him and he can answer all questions put to him without fear of anything being held against him.

Int: He realizes that.

Defence continues

- Q. Can you tell me whether any of - can you tell me where any of these bottles of liquor with Brisson went other than the bottles he himself drank?
- W.B.B.
