

Before taking up
often thought of
to arouse from its
arding my work in
ention of the pub-
details. Did you
rld a specimen of
failed, for before
disposed to class
ght *in themselves*
ou imagine that I
gloom which has
and the Church
rust that such base
ave been signally
feel a secret wish
express it, of see-
ciples which you
adhere? Alas!
tical influence is
, and you must be
to be *lashed* into
nd to your serious
oker, " The time
eekness, humility,
nes of controversy,
best part of true
sh Colonies with
and *forms of wor-*
ressed, and which
ppish domination,
Rian, to retire to
untry, where you
known.

Servant,
E. BURNS.
