## PERTH.

The Capital or County Town of the United Counties of Lanark and Renfrew, is situated like its Scottish namesake on the banks of the river Tay, and is the terminus of the Perth Branch of the Brockville and Ottawa Railway, distant from Brockville on the St. Lawrence 35 miles, and from Arnprior on the Ottawa 40 miles, between which places, there are Railway trains and mails daily.

Perth is the centre of a splendid agricultural country, on the trade of which it principally depends, exporting annually large amounts of Wheat Flour, Butter, Potash and Furs; to develop and retain the increasing trade, large and commodious Market Buildings have been erected. It is also the depot for a large amount of sawn Lumber, over \$100,000 worth being annually manufactured in its vicinity. Perth is also likely to become celebrated for the number of mines of Iron, Lead, Copper, Mica, Phosphate of Lime, &c., &c., to be found in the Townships bordering it.
