

**The ESTEY ORGAN**  
**with philharmonic reeds**  
**for Church and Chapel**

Has been proved by Sixty years' experience to be the finest reed organ in the world. The rich musical tone and full carrying quality of the philharmonic reeds is so pipe-like in character that for moderate sized Churches and Sunday Schools, where an expensive pipe organ is not practicable, the Estey is the ideal instrument

**for tone, durability and for economy.**

We have sold hundreds of the Estey philharmonic organs in all parts of Canada. Our prices are more reasonable than those musicians who know the Estey, would think possible.

Several church styles that we specially recommend are priced as follows :

**\$116, \$132, \$148, \$166, \$200 and \$240.**
