❧ EASTER ❧

After Lent's purple shadows  
Shineth the Easter glow ;  
They who will not shun the darkness  
The glory may not know.

First bow ye as the violet,  
In deep humility,  
Ere ye attain through trial  
The lily's purity.

Lead us, O gentle Saviour,  
Along the shadowed way.  
Into the dawning radiance,  
Of the glad Easter day.
