

STOCK GOSSIP.

In writing to advertisers please mention the Farmer's Advocate.

Mr. Israel Cressman, New Dundee, Ont., imported from England, July 8th, two Berkshire sows, both due to farrow soon. They are well marked and of good quality.

Mr. Allen Bogue, superintendent of the Ontario Poultry Association, has just forwarded to the Ontario commissioners of the World's Fair, Chicago, 2,321 entries of Canadian exhibits.

A telegram from the World's Fair, Chicago, states that the show of standard-bred and thoroughbred horses has been postponed till October 16-23, and that entries for the new date will close on September 20th.

The annual meeting of The American Shropshire Sheep Association will be held at Assembly Hall, Live Stock Building, World's Fair Grounds, Monday, Oct. 2, 1893. The Association will give a banquet the same evening to the members and their wives.

There were recently shipped to Mr. T. W. Evans, of Yelverton, Ontario, three Clydesdale horses of which the Glasgow Scottish Farmer speaks in exceedingly high terms, intimating that they will uphold the reputation of the breed in any country, having individual merit and the very best blood. The horses are Craichmore Darnley, a tried and successful sire, got by Darnley out of a Druid mare; Uam Var, got by Lord Ailsa out of a Topsman mare; and Blythe Prince, by Prince of Wales out of a grand Lord Lyon mare.

IMPORTANT SHIPMENT OF SHOW SHEEP TO MICH., U. S. A.

On July 29th, Mr. E. Goodwin Preece, Live Stock Agent and Exporter, Shrewsbury, England, shipped per Dominion Liner "Dominion" for Quebec, a very choice and valuable consignment of 50 head of show and prize-winning sheep of the Hampshire, Cotswold, Shropshire and Dorset breeds, for one of the most prominent exhibitors of sheep in Mich., U. S. A., which has long been considered the leading "Sheep State" of the Union. Among them were Mr. W. Newton's grand champion shearling Hampshire-Down ram, winner of first and champion prizes at the Royal and all the leading English shows this year, some splendid show ram and ewe lambs from Messrs. Portsmouth & Barton's flocks, and a very fine lot of 15 show Hampshire rams and ewes from Mr. W. Newton's noted flock, including his first prize Royal winning shearling ewes and ram of last year. The Dorsets numbered 11 head of rams, ewes and lambs from Mr. P. F. Thibault, of Hamilton, which he has specially reserved since last spring, among them being several winners at the Western Shows this year. The Cotswolds selected from Messrs. Bagnall & Hulbert also comprised several winners, and the Shropshires were from Messrs. Nunnerley & Newell. The shipment may be considered especially important in consequence of nearly the whole of the sheep being show animals for exhibition at the World's Fair. This makes the 13th shipment this year by Mr. Goodwin Preece.

Dear Sir, You may say for me that your mill with bagging attachment gives perfect satisfaction, that it cleans, elevates and bags any kind of grain to perfection. Wishing you every success, I am, yours truly, G. J. BUNNS.

HARVEST EXCURSIONS.

On August 22nd, September 12th, October 10th, 1893, the Chicago, Milwaukee & St. Paul Railway Company will sell tickets at standard single fare plus \$2.00 for the round trip from Chicago to points in Iowa, Minnesota, North and South Dakota, Kansas, Nebraska, Colorado, Wyoming, and to points in Manitoba as far as including Brandon. For rates of fare, time tables and full information, send to A. J. Taylor, Canadian Passenger Agent, Chicago, Milwaukee & St. Paul Railway, No. 87 York Street, Toronto, Ontario.

We will call attention to the advertisement of *Peerless Oil* in this issue. There is a growing demand for a suitable oil for Farmers' use, and it is admitted that this brand fills all requirements. There is no oil better known in this country, and large shipments have been made to foreign countries. This oil can be had only from first-class dealers. It will give every satisfaction: it is the cheapest oil to buy, as it lasts longer, and saves machinery boxes from wearing. Samuel Rogers & Co., Toronto, are the sole manufacturers.

E. M. Scott, general agent of "The Locked Wire Fence Co., Ingersoll, Ont., was present at both the Winnipeg Industrial and the Brandon Fair, exhibiting a specimen of this fence, which he had erected on the grounds, and also a farm gate made according to this company's pattern. At Brandon the Diploma for wire fence and gate was awarded to this company. To see this fence is all that is necessary to convince one of its great simplicity, strength and durability. It certainly is one of the best fence patents we have seen, and is bound to become a favorite, especially with stock breeders. It is not expensive, as the company furnish material for a 4-wire fence at 30 cents per rod. Write them for their rates on County and Township rights.

AYER'S SARSAPARILLA

M. Hamnerly, a well-known business man of Hillsboro, Vt., sends this testimony to the merits of Ayer's Sarsaparilla: "Several years ago, I hurt my leg, the injury leaving a sore which led to erysipelas. My sufferings were extreme, my leg, from the knee to the ankle, being a solid sore, which began to extend to other parts of the body. After trying various remedies, I began taking Ayer's Sarsaparilla, and, before I had finished the first bottle, I experienced great relief; the second bottle effected a complete cure."
