

# THE National Cream Separator!

WE CLAIM that the National Easy-Running Cream Separator is the most efficient and satisfactory Cream Separator that was ever set up on a farm. It represents the very latest principles in Cream Separator construction. It embodies every valuable feature that has ever been discovered in the separation of cream from milk by centrifugal force, and discards all the cumbersome, intricate features which characterized the early type of Separators. It is, in short, a 20th century product a little ahead of the times. It is manufactured by us under what are conceded to be the most valuable patents ever issued by any government on Cream Separators. The

## GOSSIP.

At the auction sale of the noted flock of Southdown sheep, belonging to the estate of the late Col. McCalmont, at Newmarket, England, July 15th, there was a large attendance of breeders, and good prices were realized. The highest price, 75 guineas (\$390), was paid for a ram lamb, by the representative of the King. The next highest price for a ram was 41 guineas. One hundred and nineteen yearling ewes averaged £5 3s. 4d. Forty rams averaged £14 9s. 3d., and 29 ram lambs averaged £10 1s.

At a peremptory sale, by auction, on July 28th and 29th, of the entire herd of Hereford cattle belonging to Mr. Geo. H. Adams, at Linwood, Kansas, good prices were realized considering that the sale was hurriedly arranged owing to the critical illness of the owner, and the cattle sold off the pastures without any training or other preparation. The eight-year-old cow, Belle Monde 10th, by Wild Tom, with her twin cow calves, brought the highest price, \$700, and was taken by T. F. B. Sotham, Chillicothe, Mo. The six-year-old cow, Luminous, by Post Obit, sold for \$600, and the seven-year-old Winnifed for \$525. The highest price for a bull was \$580 for Ambercombia, a five-year-old son of Wild Tom. One hundred and seven head sold for an average of \$163.65 each. The sale was managed by Mr. Sotham, and was exceedingly creditable to his skill in view of the many discouraging features in the circumstances he had to encounter.
